Continued on back

¹ Dark colors require additional care to maintain the original finish.

² This color contains large, randomly distributed particles.

³ This color contains random veining throughout the pattern.

Green type indicates the Terra Collection.

For price categories, please visit www.corian.com.

Helpful hints on selecting finishes:

- matte is easier to maintain than gloss
- lighter colors look better in matte
- darker colors look better in semi-gloss or gloss

corian.
