Pemberton Chaise

For 25 years, Smith & Hawken has stood for uncompromising quality in the design and fabrication of outdoor furniture. Benches, tables, chairs and chaises that inhabit the landscape with natural ease—from the intimacy of a residential garden to the expanse of a public town square, and everywhere in between.

SOLUTIONS FOR EVERY ENVIRONMENT

Leading our diverse selection of furniture is Premium Teak™—the trademark collections that have established Smith & Hawken’s leadership in the design and manufacture of tropical hardwood furniture. We handpick the teak trees to be harvested from a sustainably managed forest reserve in Java. Using only eco-friendly heartwood, we embrace traditional as well as contemporary design.
