Safety first | Slip-resistant floors that don't sacrifice style

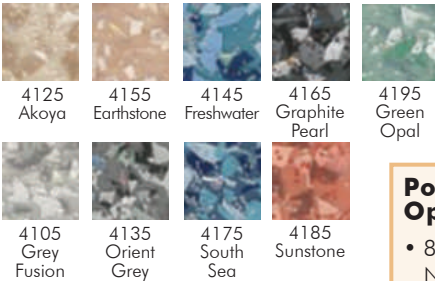

Polyflor Polysafe www.polyflor.com

Polyflor's Polysafe line is a comprehensive collection of heavy-duty vinyl safety floors, now featuring wood and mosaic-effect designs. Designed to fit every application and budget, Polysafe floors are perfect for areas which are continually wet or have a risk of spillage, where you need improved traction, safety underfoot, and antibacterial protection. Polysafe Astral and Polysafe Corona feature Suprattec⁺, an advanced polymer technology that **reduces maintenance costs by up to 60%**. Suprattec⁺ offers excellent stain resistance. All Polysafe products have slip resistance which is assured for the guaranteed life of the product.
