Greenwood™ : High-Density Wood Substitute

- Made from recycled material
(high density polyethylene; HDPE)
- Replacement for wood lumber applications
(residential & commercial)
- Maintenance free
(just wash with soap and water)
- Resistant to corrosive substances,
oil and fuels, insects, fungi, salt spray,
and other environmental stresses.
- Does not absorb moisture.
- Will not rot, splinter, or crack.
- Manufactured to exacting specifications
- No painting required

**PERFECT FOR YOUR PROJECT,
GREAT FOR THE ENVIRONMENT**

FROM IMAGINATION TO THE SITE

That's what has made Sitecraft the architect's choice for four generations. Along the way, we've distinguished ourselves as craftsmen who have mastered cutting curves out of solid wood. We've built on this mastery to include custom designs in wood, metal, and recycled plastic, resulting in an unmatched repertoire that not only complements, but defines your site. Premium materials, handcrafted attention to detail found only in the finest benchmade furniture, and enduring quality are the signature of Sitecraft and the tangible expression of your unique vision.

Benches

Crescents. Circles. Freestanding or with backs. Whatever you envision: configurations to stimulate conversation or retreats for private reflection, Sitecraft has your design.

Our traditional YB bench is now offered with extra-thin ipe slats for sleeker styling.

All straight benches are available in standard sizes 5', 6', 7', 8' or custom lengths. All decorative metal benches are available as a complementary curved bench.

Planters + Planter Benches

In wood or metal, indoors, outdoors or in an atrium, Sitecraft planters stand alone or in perfect union with benches. Line them up as a natural foliage wall. Use them as natural spatial accents in a plaza or esplanade. The possibilities are as endless as your imagination.
