the real dirt:

At Georgia-Pacific, we offer a resource to meet every cleaning need. Our full spectrum of quality commercial and professional wipers (including our premier Brawny Industrial™ line) is designed to handle cleaning needs across four major categories: Industrial, Foodservice, Healthcare and Technical. From heavy-duty disposable cloths to single-use applications, we have the solutions designed to make life a whole lot cleaner.

the real dirt
on Brawny Industrial™

Strong. Versatile. Cost Effective.
Free of cross-contaminants. When
it's this clear-cut, choosing Brawny
Industrial™ wipers is easy.
Brawny®. It's not just for
home anymore.

The Power of Brawny®

Brawny®. The name itself is synonymous with strength, durability, and reliability. And for more than 30 years, it has been a leading consumer brand trusted in homes from Maine to California.

Now Georgia-Pacific is bringing that trusted reputation to the workplace with new **Brawny Industrial™** shop towels and wipers for the industrial workplace and **Brawny® Dine-A Series** towels and wipers for the foodservice industry. We know hard-working Americans across the nation are not afraid to get their hands dirty. We take pride in helping them clean up. With Brawny Industrial™ and Brawny® Dine-A Series, Georgia-Pacific offers a full line of disposable commercial products unsurpassed in strength, durability, absorbency and softness.

We also support the hands-on efforts of those in the healthcare and technical cleaning fields with our Soft-n-Fresh® wash cloths and towels and our AccuWipe® technical and precision cleaning products.

Quality materials. Broad spectrum of technologies. Customizable options. Whether the job is down and dirty or easy and gentle—Georgia-Pacific has the right answer. Every time.

two easy steps to determine the best solution

1. Identify the Brawny Industrial™ product to meet your needs

2. Determine the delivery system

heavy duty shop towels

Brawny Industrial™ Heavy Duty Shop Towels (HEF)

Performance Overview Toughest industrial cleaning of oil and grease on machines and parts.	Key Applications Multi-use (ultimate wiper to replace rags). industrial

Introducing Brawny Industrial™ Professional Cleaning Wipers

Brawny Industrial™ offers unparalleled strength, absorbency and versatility with a professional line of disposable wipers. Safer, cleaner and less costly than rags and shop towels, they're designed to handle a variety of jobs—from tough industrial cleaning to light wiping and dusting.

Brawny Industrial™ vs. cloth industrial

Even when laundered, shop towels often contain foreign objects that may be harmful to people, products and machinery. Opting for disposable wipers eliminates this problem.

heavy duty shop towels

Brawny Industrial™ Heavy Duty Shop Towels

Toughest industrial cleaning of oil and grease on machines and parts

- Strong, durable, and reusable
- Stands up to cleaners and solvents
- Low lint
- Best wiper to replace rags and shop towels

Brawny Industrial™ Heavy Duty Shop Towels (formerly TuffMate*)

goRag® Automatic Wiper Dispenser

Experience multiple operational benefits with goRag®, the industry's first automatic wiper dispenser. Georgia-Pacific's innovative goRag® wiper dispenser is designed to match your work environment.

goRag® Automatic Wiper Dispenser

With automatic technology, goRag® delivers higher efficiency than cloth rags to deliver a higher bottom line for business:

- Sensor-activated automation—replaces waste of bundles and bulk packs
- Multiple wiper options—offers customization for specific industrial applications through efficient roll format; can be preset to deliver 8", 12", or 16" wiper
- Designed to mount strategically near your workers
- Automatic dispensing delivers a more efficient use of disposable wipers and therefore reduces the overall cost per wiper.
- Secure, durable, high-capacity cabinet controls pilferage and protects wipers
- Lifetime satisfaction—delivers proven durability

foodservice

Introducing Brawny® Dine-A Series Disposable Foodservice Towels, including Brawny® Dine-A-Cloth™, Brawny® Dine-A-Max™, and Brawny® Dine-A-Wipe®. Choose the sanitary alternative to cloth towels, rags and sponges with Brawny® Dine-A Series towels—designed to handle everything from light, front of house wiping to tough, back of house scrubbing and cleaning. With disposables, you ensure a more hygienic environment.

Brawny® Dine-A Series vs. cloth
foodservice

In foodservice, cross-contamination poses serious health problems for employees and customers. Color-coded, disposable towels greatly reduce that risk.

Brawny® Dine-A-Cloth™ Chef Towel (and Cloth) Replacement

Back of house cleaning of kitchen, grills, pots/pans

- Heavy Duty: cloth-like feel and performance
- Stands up to harsh sanitizers
- Washable and reusable

Brawny® Dine-A-Max™ All Purpose Food Preparation and Bar Towels

Front or back of house cleaning of food prep areas, bar and tables

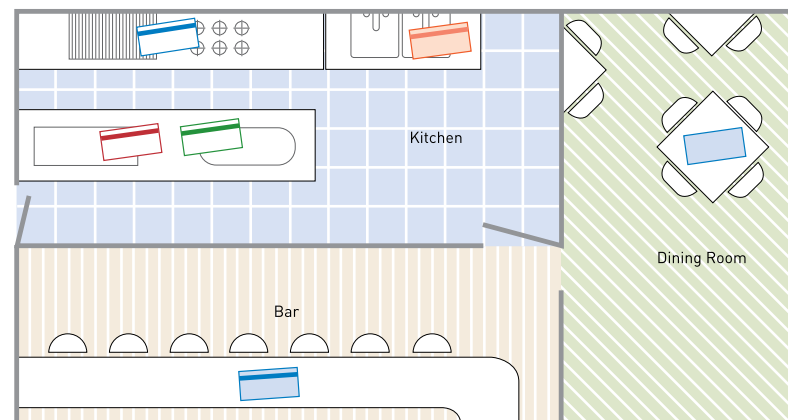

- Medium Duty: strong, soft, and absorbent
- Color-coding system prevents cross-contamination
- Stands up to harsh sanitizers
- Washable and reusable

Brawny® Dine-A-Wipe® Busing Towels

Front of house cleaning of tables and spills

- Medium Duty: strong and durable
- Stands up to harsh sanitizers
- Washable and reusable

healthcare

Soft-n-Fresh® Disposable Healthcare Wipers

Hygiene and cleanliness. Nothing is more important in healthcare environments for both patient and provider health. Protect against bacteria growth and cross-contamination with our Soft-n-Fresh® line of disposable cloths—strong when wet, yet gentle on skin when cleaning and drying.

disposables vs. cloth healthcare

Disposable wash cloths help reduce cross-contamination and are a cost-effective solution.

Soft-n-Fresh® Patient Care Towels

Wash Cloth and Professional Towel for patient bathing

- Strong, soft and spongy when wet
- Gentle on skin
- Wrings out like a wash cloth

Bath Towel for patient drying

- Strong, soft and absorbent when wet
- Gentle on skin
- Sized like a towel

technical

AccuWipe® Technical Cleaning Wipers

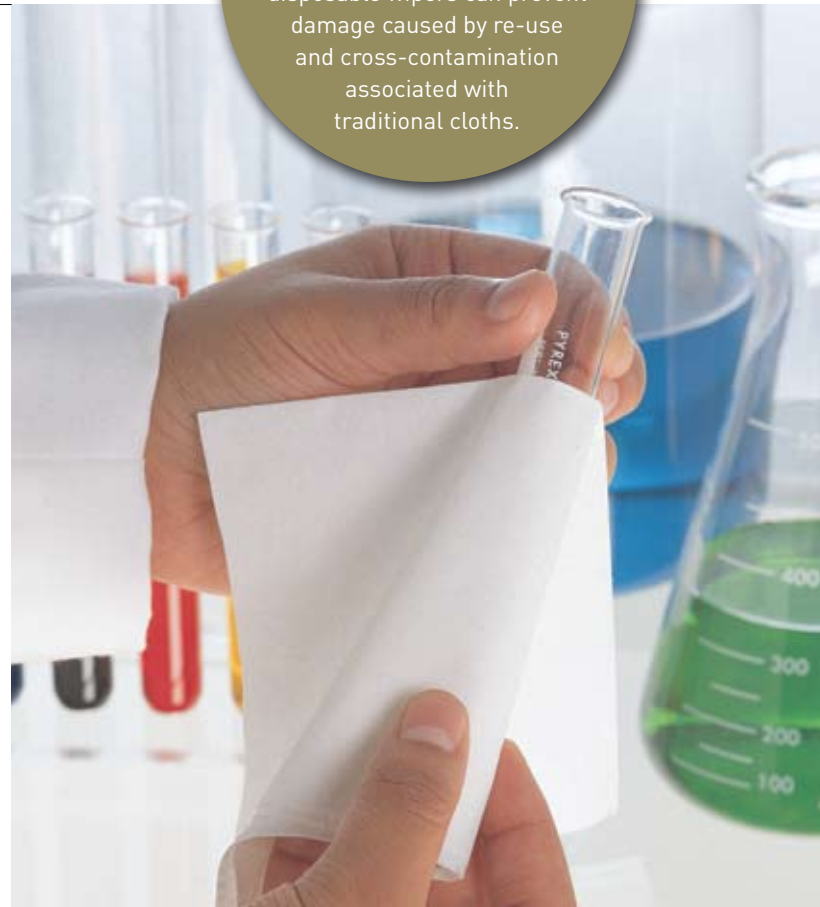

Technical settings—from hospitals, labs and electronics assembly plants to optics and graphic arts environments—require a gentle touch when cleaning. Designed for wiping delicate surfaces and instruments, AccuWipe® wipers offer a soft, non-abrasive, low lint alternative for convenient, single-use applications.

technical

Precision cleaning demands greater care. Delicate, single-use disposable wipers can prevent damage caused by re-use and cross-contamination associated with traditional cloths.

AccuWipe® Technical Cleaning Wipers

- For delicate or critical cleaning tasks of lenses, precision parts, and instruments
- Non-abrasive and low lint
- Absorbent

A disposable idea that is truly indispensable.

There is a superior alternative to traditional cloths and rags. One that is not only strong and versatile, but can actually save money. Disposable wipers and cloths from Georgia-Pacific have everything you need to keep your work environment as clean as your home—maybe even cleaner.

Take pride in your work. Put your heart and soul into your job. Get yours hands dirty. We'll be there to help you clean up.
