COLORMAX[®]

Finishing System

Choosing an exterior house color is challenging, but infinitely rewarding. The right color will highlight the beautiful features and boost the curb appeal of your home.

Color reflects your personality and lifestyle, from beachside blues and weather-beaten grays to woody greens and browns.

Your house color should set your family apart while at the same time blending with your neighborhood.

Color is important to you, that's why CertainTeed leaves nothing to chance.

Whether you choose paint or stain, CertainTeed's ColorMax[®] Finishing System offers a gorgeous array of designer colors – from the natural wood hues of stain to the vibrant and traditional tones of paint. It's your color. Your choice.

Take your home's curb appeal to the max with CertainTeed's ColorMax Finishing System.

CertainTeed's ColorMax Finishing System is factory applied to our exacting standards and engineered to seal against moisture.

The result is a beautiful home for years to come.

CertainTeed **COLORMAX**® Colors

A palette of perfect colors for your ideal vision: A beautiful new home.

CertainTeed's ColorMax Finishing System fills the spectrum of design possibilities with vivid shades and deep, rich tones.

We Paint It So You Don't Have To.

CertainTeed WeatherBoards™ Fiber Cement Siding is so strong and durable with ColorMax finish that resists fading, everyday bumps and harmful impacts. We offer a stocking program of prefinished fiber cement in a variety of lap siding, decorative shapes and soffit to match virtually any design style.**

Solid Colors

- Factory-applied color for maximum consistency and performance
- Prefinished product allows for faster job completion and eliminates dependence on climate conditions for field-applied paint
- Color is applied over our proprietary FiberTect® sealant/primer, engineered to seal against moisture
- 15-year limited coating warranty; 15-year SureStart limited labor warranty for coating application (non-prorated year 1 and 2)†

Patented protective plastic cover ensures Cedar Lap siding remains scratch-free through shipping and installation.*
