Refrigeration

# Frigidaire

## Cool innovation.

Since the invention of the refrigerator, Frigidaire® has been an innovator in home refrigeration.

So you expect exterior styling that is space-efficient and adapts to any kitchen environment.

You trust our precision temperature and electronic controls that tell you when power has been interrupted and for how long.

You count on SpillSafe™ shelves that catch and hold spills for easy cleanup and a SmartFit™ shelf that easily adjusts up or down without removing contents.

And, you appreciate the purity of the PureSource 2® ice & water filtration system which provides fresher, cleaner tasting ice and water. You can rely on the PureAir™ fan-forced air filter for maintaining a baking soda fresh interior.

You expect all this from Frigidaire®...and we deliver.

## Counter-Depth Refrigerator Features

**EasyCare™ Genuine Stainless Steel with Color-Coordinated Stainless-Look Trim**  
EasyCare™ Genuine Stainless Steel is surface coated to minimize fingerprints and smudges. Color-coordinated stainless-look trim completes the overall look.

**Sliding SmartFit™ SpillSafe™ Glass Shelf**  
A turn of the handle allows you to easily raise or lower shelf height without removing contents. The encased SpillSafe™ glass shelf catches and holds spills for easy cleanup and slides in and out for easy access.

**Precision Temperature & Electronic Controls**  
Digital display shows exact temperature and settings while warning indicators signal when power has been interrupted, door is ajar or high temperature has occurred.

**PureSource 2® Ice & Water Filtration System**  
Twin carbon block filter cassette effectively protects against lead, chlorine, cysts and particulates. The no-spill cassette can be replaced with the push of a button every 400 gallons (6 to 9 months).

**PureAir™ Fan-Forced Air Filtration**  
Eliminates odors and keeps your refrigerator interior cleaner and fresher. An indicator light signals when the charcoal and baking soda filter can be easily replaced.

**Transition Lighting**  
Refrigerator interior illuminates gradually, allowing eyes the time to adjust regardless of ambient conditions.

**Clear Adjustable Door Bins with No-Slip Liners**  
Adjustable door bins offer maximum storage capacity with the convenience to lift and snap into place. The no-slip liners line the bottom of the bin and help prevent stored items from sliding.

**Fresh Lok™ Hydrators**  
For enhanced food preservation, Fresh Lok™ lets you specify humidity levels and temperatures within a range of 33°F to 39°F.

**Tilt-Out Wire Door Shelves**  
Tilt-out feature makes access easy while wire construction provides secure storage and complete visibility.

## Top Mount Refrigerator Features

**Water Through-The-Door Dispenser**  
Slim-profile design makes it easy to fill containers of all sizes with chilled, filtered water. Easily accessible child-safe lock prevents unintentional activation.

**PureSource® Ice & Water Filtration System**  
Removes nearly all impurities (including chlorine and lead) and particulates for cleaner, better tasting water and ice.

**Never Clean™ Condenser**  
Under normal household use, condenser coils never require cleaning.

**Sliding SpillSafe™ Glass Shelves**  
Encased shelf catches and holds spills for easy cleanup and slides in and out for easy access.

**Humidity-Controlled Crispers**  
From leafy vegetables to skinned fruits, humidity controls maximize the shelf life of all produce.

**Clear Deli Drawer**  
Securely stores and maintains deli items at maximum freshness levels while allowing complete visibility and easy access.

**Clear Adjustable Door Bins with No-Slip Liners**  
Adjustable door bins offer maximum storage capacity with the convenience to lift and snap into place. The no-slip liners line the bottom of the bin and help prevent stored items from sliding.

**Tilt-Out Wire Door Bins**  
Store more in a smaller space. Wire construction securely stores small packages, allows for complete visibility and tilts out for easy access.

**Can Dispenser/Wine Rack**  
Dispenses your favorite canned beverages or cradles a wine bottle in the correct storage position.

## Beverage Center Features

**Dispensing Kit**  
Everything you need to tap into your favorite kegged beverage including tap, regulator, faucet, hoses and CO<sub>2</sub> canister.

**Adjustable Auxiliary Shelves**  
Shelving system makes it easy to customize your Beverage Center to accommodate glassware and other beverages.

**Reinforced Cabinet Structure**  
Structure is reinforced to accommodate kegs up to 16 gallons.

**Sliding Storage Baskets**  
Two sliding baskets provide convenient, high-visibility storage for fruits, garnishes and packaged goods.

**Flexible Storage**  
Side racks are ideal for storing cans, wine bottles or two-liter containers. When the keg space is not being used, three optional shelves provide additional food storage.

**Heavy-Duty Caster Kit**  
With the addition of the optional heavy-duty casters, the Beverage Center becomes mobile and moves wherever the party is. Casters lock in place for a stationary placement.

## All-Freezer / All-Refrigerator Duo Features

**Tilt-Out Wire Door Bins**  
Store more in a smaller space. Wire construction securely stores small packages, allows for complete visibility and tilts out for easy access.

**Full-Access Sliding Storage Baskets**  
Organizing the big stuff is easy. Wire construction securely stores large packages while providing complete visibility.

**Door Storage**  
Clear, adjustable bins and full-width gallon bin offer maximum storage. Shelves easily lift out and snap into a new position with one hand.

# Frigidaire

**Optional Trim Kits**  
To create a more built-in look, optional trim kits are available for a stand-alone refrigerator, stand-alone freezer, or for both units together in a side-by-side configuration.

## Accessories

### Ice Maker

Now, you can add ice-making capabilities to your top mount refrigerator. Fits all models manufactured after April 2001. **IM115**

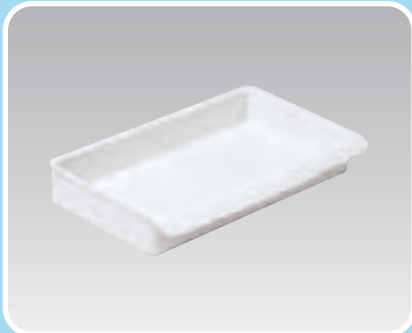

### Ice Maker

Allows you to add ice-making capabilities to the all-freezer duo model PLFU1778E. **IM501**

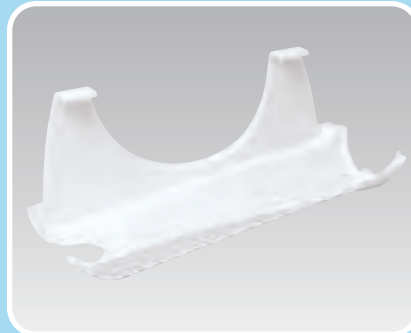

### Ice Tray

Ice Trays are designed to be stackable to save space and are flexible for easy release. **215667501**

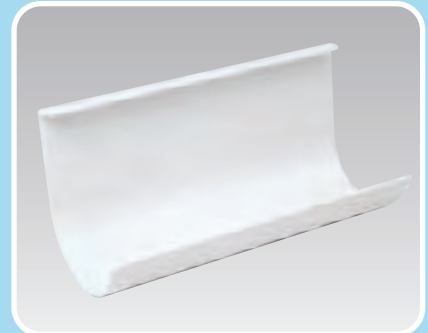

### Butter Dish

Great for storing and serving sticks of butter. It's dishwasher safe. **5308000716**

### VersaShelf

Available in white or clear plastic, the VersaShelf hooks onto cantilevered shelving for small item storage that doesn't consume valuable shelf space. **240424501 - White**  
**240424502 - Clear**

### Wine Rack

Available in white or clear plastic, our Wine Rack hooks onto cantilevered shelving for storage that doesn't consume valuable shelf space. **5304402116 - White**  
**5303295947 - Clear**

### PureSource 2® Ice & Water Replacement Filter Cartridge

Twin carbon block filter cassette effectively protects against lead, chlorine, cysts and particulates. The no-spill cassette can be replaced with the push of a button every 400 gallons (6 to 9 months). **WF2CB**

### PureSource Plus® Enhanced Ice & Water Replacement Filter Cartridge

Provides clean, fresh-tasting ice and water while reducing contaminants. This filter has been strenuously tested and certified by NSF International. Fits all Frigidaire® filter-equipped models manufactured before 2001 energy-compliant regulations. **WFCB**

### PureSource® Ice & Water Replacement Filter Cartridge

Provides clean, fresh-tasting ice and water. Removes nearly all impurities, including chlorine and particulates. Fits all Frigidaire® rear filter-equipped models manufactured after April 2001. **WFICB**

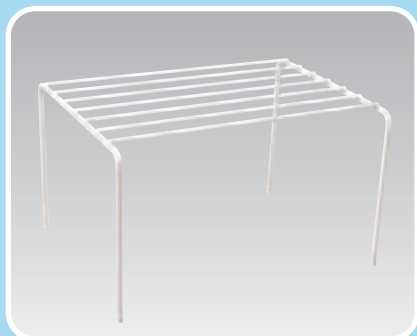

**Kitchen Care Kit**  
 Everything you need to keep your kitchen appliances looking new, including nonabrasive kitchen cleaners, microfiber sponges and scraper. **5304436288**

**16-Oz. Stainless Steel Appliance Cleaner**  
 Preserve the look of your stainless steel appliances for years to come. Provides protection from fingerprints and smudges. **5304433275**

**Universal Refrigerator/Freezer Deodorizer**  
 Prevent distasteful odors from taking over your refrigerator or freezer. Simply place in the area you wish to deodorize and let it do the rest! **78956**

**Freezer Shelves**  
 Maximize storage space in your top mount freezer while maintaining an organized look. **ISK18 - 18"** **ISK21 - 21"**

**Counter-Depth Refrigerator Collar Kits**  
 Give your counter-depth refrigerator that "built-in" look with a color-coordinated collar kit, available in three colors to match your kitchen's décor. **CK23CDW - White**  
**CK23CDB - Black** **CK23CDS - Stainless Steel**

**Panel-Ready Refrigerator Door Panel Kits**  
 Counter-depth refrigerator model GHSC39ETH is designed to be panel-kit ready and accept color-coordinated door panels, available in three colors to match your kitchen's décor. **PK23CDW - White** **PK23CDB - Black**  
**PK23CDS - Stainless Steel**

**Ice Cream Shelf**  
 Our Ice Cream Shelf fits in the unused space above the ice maker and keeps ice cream at the optimum serving temperature. **240342902**

## Cutout Dimensions

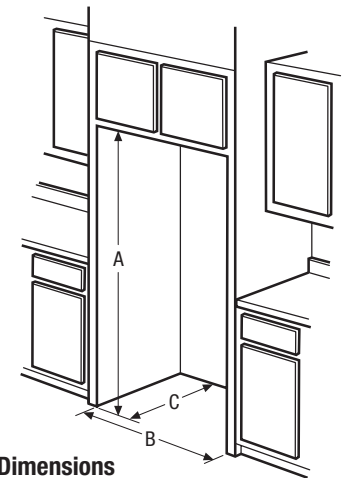

Standard	With Collar Trim Kit
(A) 70 1/4"	(A) 70 1/4"
(B) 36"	(B) 36 1/8"
(C) 24"	(C) 24 1/2"

## COUNTER-DEPTH REFRIGERATOR INSTALLATION

The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual at Customer Service, online at [frigidaire.com](http://frigidaire.com).

Allow sufficient clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.

## COUNTER-DEPTH REFRIGERATOR DOOR PANEL INSTALLATION

Consult installation instructions packed with individual products for complete details.

The following instructions outline the procedure to install Door Panel Kits or custom panels on your Frigidaire® Counter-Depth Refrigerator Panel-Kit Ready models.

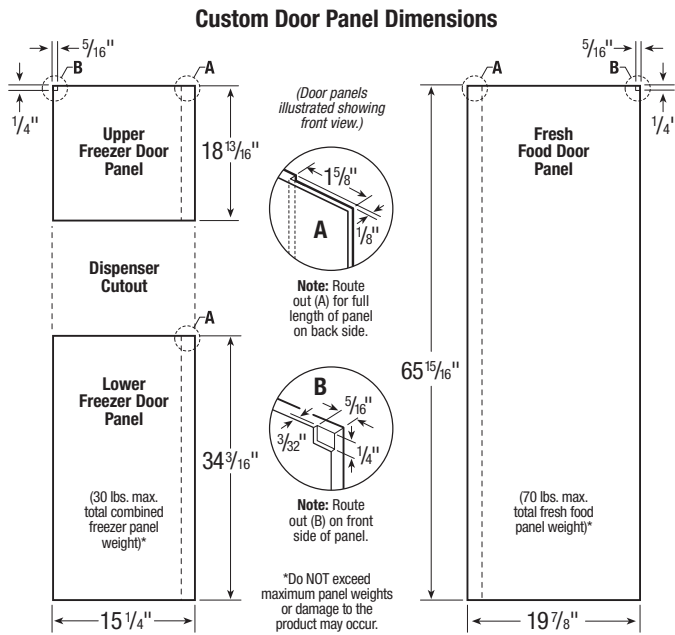

### Door Panel Kits Available:

**White** (PK23CDW), **Black** (PK23CDB) or **Stainless Steel** (PK23CDS).

### For Custom Door Panels:

Order your own custom door panels to match cabinetry or other décor. Panels up to 1/4" thick will fit door frames with no special preparation. Local shop-built or custom cabinet supplier may fabricate custom 1/4" panels. Refer to drawings below for panel dimensions and specifications. Edges must be routed to 1/4".

**Note:** When installing custom panels less than 1/4", insert spacer panel behind door panel for proper fit (spacer panel supplied with Door Panel Kit). Combined thickness of panels must total 1/4".

### INSTALLATION INSTRUCTIONS

Read each step thoroughly before proceeding.

**Tools:** #2 Phillips Screwdriver

#### Procedure:

**Step 1 – Loosen top trim on freezer and fresh food doors.**

**Step 2 – Remove side trim.**

Swing bottom of side trim outward away from door to break magnetic attachment. Lower side trim to pull free of top trim.

**Step 3 – Insert panels.**

Remove protective film from panels before insertion.

**Upper Freezer Panel and Fresh Food Panel –** Cutout notch in panel is positioned to upper outside of door. Lift top trim up 1/4" and carefully push upper freezer panel in until it slides into slot behind door handle.

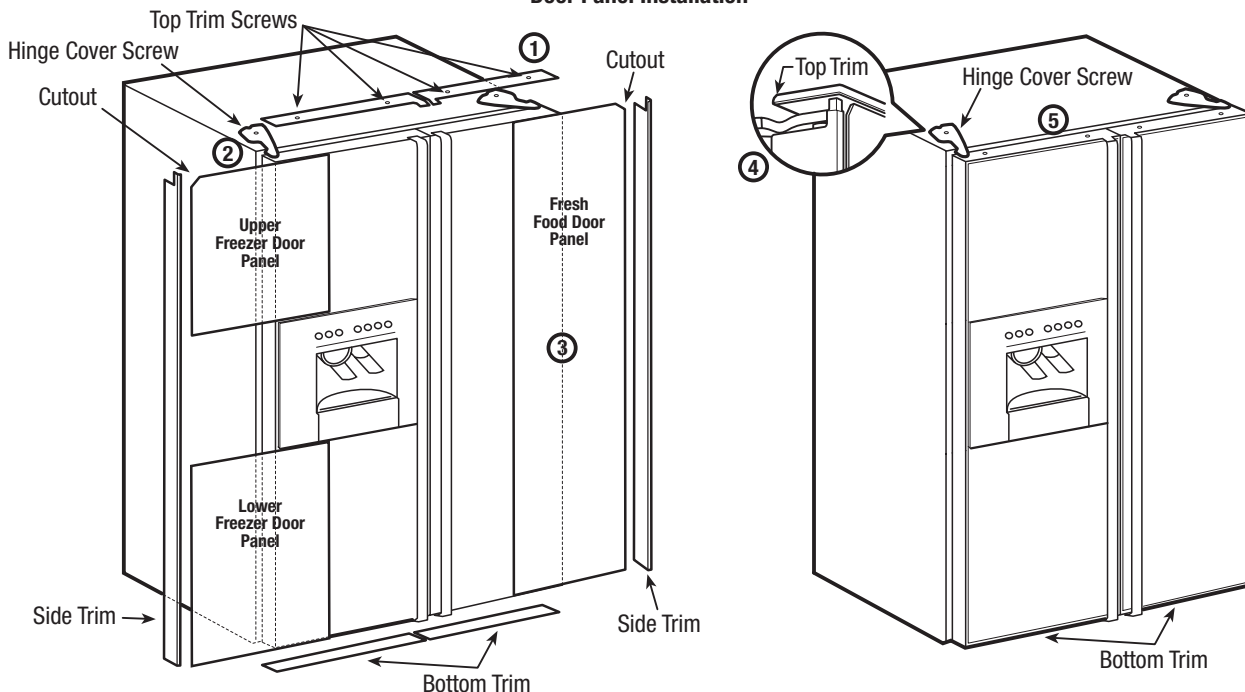

**Lower Freezer Panel –** Carefully push panel in until it slides into slot behind door handle.

**Step 4 – Install side trim.**

Slip upper front corner of side trim under top trim and swing into position. Make sure trim seats behind panel and in front of Ice & Water dispenser. Magnetic attraction will hold trim in place.

**Step 5 – Tighten screws on top trim.**

### Door Panel Installation

Stainless Steel

Silver Mist

**ALL-FREEZER/ALL-REFRIGERATOR DUO INSTALLATION**

The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual at Customer Service, online at [frigidaire.com](http://frigidaire.com).

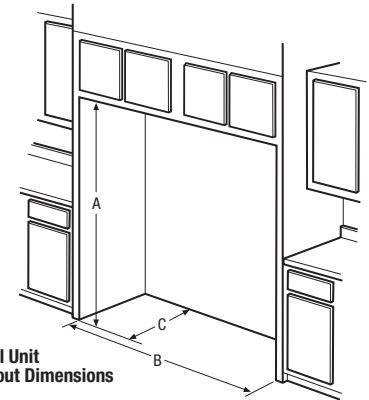

Allow sufficient clearance on hinge side of unit when installing next to a wall where handle may make contact.

**CUTOUT DIMENSIONS**

**Single Unit Cutout Dimensions**

- Without Trim Kit (A) 66" (B) 33" (C) 25 1/4" min.
- With Trim Kit (A) 75" (B) 33" (C) 25 1/4" min.

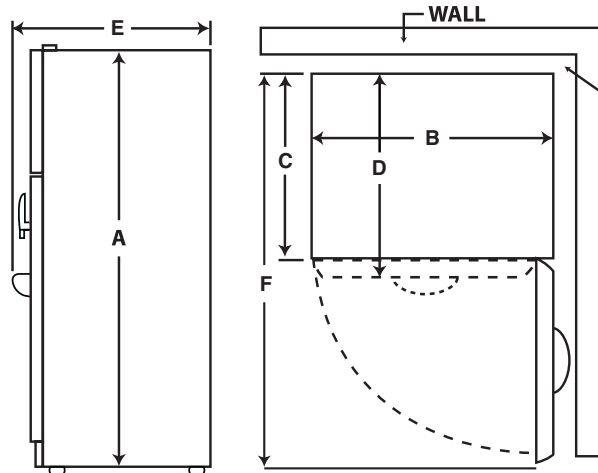

**Dual Unit Cutout Dimensions**

- Without Trim Kit (A) 66" (B) 66" (C) 25 1/4" min.
- With Trim Kit (A) 75" (B) 66" (C) 25 1/4" min.

**BEVERAGE CENTER INSTALLATION**

The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual at Customer Service, online at [frigidaire.com](http://frigidaire.com).

Models PLKU1267DS & FRTB7B4E

**Important Clearance Information:** Beverage Center model PLKU1267DS is not designed for built-in application and requires a minimum clearance of 3" around the top, back and sides of the cabinet to allow for adequate ventilation and ensure proper cooling.

If beverage center is installed too close to wall, door will not open full 90° due to drip tray.

# Frigidaire

## LIMITED ONE-YEAR WARRANTY

This warranty does not cover the following:

- Products with original serial numbers that have been removed, altered or cannot be readily determined.
- Product that has been transferred from its original owner to another party or removed outside the USA or Canada.
- Rust on the interior or exterior of the unit.
- Products purchased "as-is" are not covered by this warranty.
- Food loss due to any refrigerator or freezer failures.
- Products used in a commercial setting.
- Service calls which do not involve malfunction or defects in materials or workmanship, or for appliances not in ordinary household use or used other than in accordance with the provided instructions.
- Service calls to correct the installation of your appliance or to instruct you how to use your appliance.
- Expenses for making the appliance accessible for servicing, such as removal of trim, cupboards, shelves, etc., which are not a part of the appliance when it is shipped from the factory.
- Service calls to repair or replace appliance light bulbs, air filters, water filters, other consumables, or knobs, handles, or other cosmetic parts.
- Surcharges including, but not limited to, any after hour, weekend, or holiday service calls, tolls, ferry trip charges, or mileage expense for service calls to remote areas, including the state of Alaska.
- Damages to the finish of appliance or home incurred during installation, including but not limited to floors, cabinets, walls, etc.
- Damages caused by: services performed by unauthorized service companies; use of parts other than genuine Electrolux parts or parts obtained from persons other than authorized service companies; or external causes such as abuse, misuse, inadequate power supply, accidents, fires, or acts of God.

## DISCLAIMER OF IMPLIED WARRANTIES; LIMITATION OF REMEDIES

Customer's sole and exclusive remedy under this limited warranty shall be product repair or replacement as provided herein. Claims based on implied warranties, including warranties of merchantability or fitness for a particular purpose, are limited to one year or the shortest period allowed by law, but not less than one year. Electrolux shall not be liable for consequential or incidental damages such as property damage and incidental expenses resulting from any breach of this written limited warranty or any implied warranty. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, or limitations on the duration of implied warranties, so these limitations or exclusions may not apply to you. This written warranty gives you specific legal rights. You may also have other rights that vary from state to state.

## IF YOU NEED SERVICE

Keep your receipt, delivery slip, or some other appropriate payment record to establish the warranty period should service be required. If service is performed, it is in your best interest to obtain and keep all receipts. Service under this warranty must be obtained by contacting Electrolux at the addresses or phone numbers below. Your appliance is covered by a one year limited warranty. For one year from your original date of purchase, Electrolux will pay all costs for repairing or replacing any parts of this appliance that prove to be defective in materials or workmanship when such appliance is installed, used, and maintained in accordance with the provided instructions. This warranty only applies in the USA and Canada. In the USA, your appliance is warranted by Electrolux Major Appliances North America, a division of Electrolux Home Products, Inc. In Canada, your appliance is warranted by Electrolux Canada Corp. Electrolux authorizes no person to change or add to any obligations under this warranty. Obligations for service and parts under this warranty must be performed by Electrolux or an authorized service company. Product features or specifications as described or illustrated are subject to change without notice.
