Ventilation

Frigidaire

Fresh ideas.

When it comes to keeping your kitchen free of cooking odors, no one offers more power or more choices than Frigidaire®.

So you've come to expect a Frigidaire® ventilation system that's as stylish as it is efficient and as powerful as it is flexible.

You count on ducting options that vent through the wall, through the roof or just recirculate and freshen kitchen air.

You anticipate a variety of choices from wall mount to island to overhead to downdraft in stainless steel, black, white or bisque.

And, from the economical 24" overhead to the 36" dual centrifugal island, you demand the ventilation system with exactly the right capacity for your kitchen.

You expect all this from Frigidaire®... and we deliver.

Ventilation System Features

Halogen Lighting
Even, natural lighting provides abundant illumination to enhance your cooking experience.

Dishwasher Safe Filters
Filters remove even the most persistent cooking odors and clean up easily by cycling through your dishwasher.

Electromechanical Pushbutton Controls
Conveniently located and easy to understand, the pushbutton controls are easy to clean and add style to your range hood.

Auto-Start
As the cooking surface temperature increases, the Heat Sensor automatically turns on the blower fan.

Nonstick Coating
The nonstick surface of the underside of the range hood allows for quick and easy removal of grease and soot.

Accessories

For model-specific part numbers, refer to charts on pages 10-11.

Duct-Free Kit

When ducting a ventilation system to the outdoors is impractical, the Duct-Free Kit easily converts your range hood to a recirculating air purification system.

Flue Extension

Extension allows you to easily and quickly adapt your ventilation system to a vaulted ceiling application

Charcoal Filter

For the ultimate in air purification, the Charcoal Filter removes cooking odors that conventional filters cannot.

Top Trim Kit

Color coordinate your Downdraft Ventilation System with a black or white trim kit.

16-Oz. Stainless Steel Appliance Cleaner

Nonabrasive stainless steel cleaner provides superior protection and guards against smudges. Spray-trigger is designed to work great on larger surfaces to cover more area.

PL36WC40E

Dimensions from base of hood to ceiling, and include clearance required for installation.

PL36PC50E, PL36PC40E Island Installation

Pre-Installation Calculations

- Select hood preference height (P) that is comfortable for user (30" recommended, 24"-30" allowed).
- Calculate hood height (H) for installation ($H = K - C - P$).
- Confirm that (H) is within minimum to maximum range for hood. If not, adjust installation.
- Calculate chimney structure height (S). Use formulas, check dimensions of hood. Save calculation for use later in installation.

K = Kitchen height
 C = Counter height
 P = Preferred height of hood bottom above counter (recommended 30")
 A = Canopy height
 H = Hood height for installation
 $H = K - C - P$
 S = Chimney structure height for installation
 $S = H - A$

LIMITED ONE-YEAR WARRANTY

This warranty does not cover the following:

- Products with original serial numbers that have been removed, altered or cannot be readily determined.
- Product that has been transferred from its original owner to another party or removed outside the USA or Canada.
- Rust on the interior or exterior of the unit.
- Products purchased "as-is" are not covered by this warranty.
- Food loss due to any refrigerator or freezer failures.
- Products used in a commercial setting.
- Service calls which do not involve malfunction or defects in materials or workmanship, or for appliances not in ordinary household use or used other than in accordance with the provided instructions.
- Service calls to correct the installation of your appliance or to instruct you how to use your appliance.
- Expenses for making the appliance accessible for servicing, such as removal of trim, cupboards, shelves, etc., which are not a part of the appliance when it is shipped from the factory.
- Service calls to repair or replace appliance light bulbs, air filters, water filters, other consumables, or knobs, handles, or other cosmetic parts.
- Surcharges including, but not limited to, any after hour, weekend, or holiday service calls, tolls, ferry trip charges, or mileage expense for service calls to remote areas, including the state of Alaska.
- Damages to the finish of appliance or home incurred during installation, including but not limited to floors, cabinets, walls, etc.
- Damages caused by: services performed by unauthorized service companies; use of parts other than genuine Electrolux parts or parts obtained from persons other than authorized service companies; or external causes such as abuse, misuse, inadequate power supply, accidents, fires, or acts of God.

DISCLAIMER OF IMPLIED WARRANTIES; LIMITATION OF REMEDIES

Customer's sole and exclusive remedy under this limited warranty shall be product repair or replacement as provided herein. Claims based on implied warranties, including warranties of merchantability or fitness for a particular purpose, are limited to one year or the shortest period allowed by law, but not less than one year. Electrolux shall not be liable for consequential or incidental damages such as property damage and incidental expenses resulting from any breach of this written limited warranty or any implied warranty. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, or limitations on the duration of implied warranties, so these limitations or exclusions may not apply to you. This written warranty gives you specific legal rights. You may also have other rights that vary from state to state.

IF YOU NEED SERVICE

Keep your receipt, delivery slip, or some other appropriate payment record to establish the warranty period should service be required. If service is performed, it is in your best interest to obtain and keep all receipts. Service under this warranty must be obtained by contacting Electrolux at the addresses or phone numbers below. Your appliance is covered by a one year limited warranty. For one year from your original date of purchase, Electrolux will pay all costs for repairing or replacing any parts of this appliance that prove to be defective in materials or workmanship when such appliance is installed, used, and maintained in accordance with the provided instructions. This warranty only applies in the USA and Canada. In the USA, your appliance is warranted by Electrolux Major Appliances North America, a division of Electrolux Home Products, Inc. In Canada, your appliance is warranted by Electrolux Canada Corp. Electrolux authorizes no person to change or add to any obligations under this warranty. Obligations for service and parts under this warranty must be performed by Electrolux or an authorized service company. Product features or specifications as described or illustrated are subject to change without notice.
