WARRANTY

WARRANTY

We warrant our products against defects in workmanship and materials for a period of one year, as follows:

- (a) There are no warranties, express or implied, which extend beyond those described herein, and there is no implied warranty or merchantability.
- (b) If our products should prove to be defective, our only responsibility will be to either repair or replace the defective item(s), and we will have no liability or obligation for any damages of any kind beyond such repair or replacement.
- (c) Our obligation to repair or replace any defective item terminates one year after the product has been delivered by us to the customer, and also terminates at any time anyone other than our company performs any work of repair, service, or replacement on the item without our prior written consent.
- (d) We assume no liability to pay any costs of labor or material for repair, service or replacement of any CURRIES product which has been incurred by anyone other than us.
- (e) CURRIES is committed to providing the highest quality products and services to its customers as possible. Errors can occur on occasion. We request our distributors to act as "final" quality control on our hollow metal. A simple double check procedure by an assembly person prior to modifying a door or welding a frame should be performed on every unit of product that leaves a distributor's place of business. This simple action can prevent a considerable amount of potential field problems.
