American Blinds & Draperies, Inc.

offers an extensive selection of high quality extra durable horizontal mini-blinds, draperies, cubical curtains and vertical blinds. Our blinds are 100% Lead Free & "child safe" to prevent accidental strangulation or entanglement that is a common danger. Our custom draperies with a choice of environmentally smart insulated lining, organic green fabrics. Because we operate our own manufacturing facilities, we maintain rigorous quality standards, rapid turn around times in production, and a commitment to service at very competitive prices.

American Blinds & Draperies, Inc.

American made products are used in office complexes; apartments/multi unit housing; hotels/motels; schools, colleges, universities; government buildings; healthcare facilities.
