QUALITY MATERIALS AND CONSTRUCTION

Building on our company's heritage as a hardware supplier, we have a selection of over more than 1,500 solid brass, beautifully crafted cabinet hardware products, offered in 4-5 finishes and ranging from modern to more traditional designs. With clean curves lines and solid weighty construction, our collections pare cabinet hardware design down to the most elegant, elemental form.

CARE

Use a soft damp cloth to wipe hardware clean and avoid harsh abrasives as they can corrupt the finish.

WARRANTY

We warranty our Cabinet Hardware to be free of defects in materials and workmanship for 3 years. For complete warranty information please see our Trade Terms & Conditions.
