

# F

## **Model 350 Aluminum Overhead Door**

The Model 350 aluminum garage door is designed for sizes up to 16'-2" (4928mm) wide and 12'-1" (3683mm) tall. With various panel and glass options, this makes the Model 350 an excellent choice for service stations, car dealerships, and restaurants. These doors feature a narrow center stile of 11/16" (17mm) which allows for maximum visibility and an elegant appearance.
