

HIAWATHA, INC.

ARCHITECTURAL HARDWARE
CUSTOM DOOR PULLS
INSTITUTIONAL HARDWARE
KICKPLATE
METAL ACCESS PANELS

For over Fifty-five years, Hiawatha, Inc. has manufactured architectural hardware including pulls, pushes and kickplates. Choices from Hiawatha are even greater today with our new collection of specialty pulls, expanded door edges and astragals selection, increased warehouse inventory and our custom manufacturing capabilities. As part of the Activar Construction Products Group, Hiawatha customers also have access to additional products for doors such as vision lites, louvers and metal access panels for rated or non-rated applications.

Pulls & Plates:

Hiawatha covers the basics for your projects by stocking the most popular sizes and finishes for quick shipping. Pulls in 14 finishes range from 6-96" in many cast, wrought or tubular styles.

- Solid Straight or Offset
- Tubular Straight or Offset
- Push/Pull Sets
- Plate/Pull Sets
- Semi-Circular Pulls - Cast, Solid & Tubular
- Full-Height Pulls

Custom Pulls & Capabilities:

Envision a dramatic design statement as you browse through our catalog. We have pulls with old-world elegance and charm, or for an imaginative entryway that creates interest. From hand-formed tubular designs to cast bronze, brass or custom-designed logo pulls, we will help you create a unique look.

Our versatile manufacturing capabilities allow us to start with a drawing of your idea and turn it into a reality with our custom fabrication service

The **Activar Construction Products Group (ACPG)** consists of 5 affiliated companies that serve the commercial construction industry. Our multiple product lines are a single source for architects and distributors. Air Louvers manufactures products for the openings market with door lites, louvers and rated glass. Hiawatha is known for its quality architectural door hardware. JI Industries is an industry leader in fire protection, providing fire extinguishers, AED's and cabinets, access panels, roof opening products and entrance flooring systems. Samson Products manufactures many of the products sold under the JL label and distributes JL products on the west coast. Thomas Enterprises is our southeast distribution center for JL products and features a state-of-the-art aluminum fabrication facility for fire extinguisher cabinets sold under the JL label.
