Welcome to Swan. Total Solutions for your Bath and Kitchen.

Thank you for taking this time to review our Summer 2009 Full-Line Catalog. For more than 40 years, the Swan Corporation has been creating innovative and affordable solid surface products and materials for customers all over the world.

Whatever your preference in style, color, budget, or materials, you'll find that Swan has the combination of products, experience and support you need to make your project an overwhelming success. Total Solutions. That's our commitment. That's our promise.

What makes high-performance Swanstone so right for your next kitchen or bath project?

Unique and exceptional Swanstone solid surface looks great and lasts a lifetime.

· Heat resistant to 450° – the industry's best. Hot pots, boiling water, curling irons, even flat irons will not harm it.

· Five times stronger than other solid surfaces, Swanstone won't break, even when hit by a hammer.

· Swanstone is impervious to common household culprits. Acetone will not etch it; cosmetics and colored beverages cannot permanently stain it.

· Color and texture are consistent throughout, with no surface coating to crack or chip.

· Compression molded, not cast, Swanstone will not crack or craze like other materials – and it's easy to maintain, since it won't mold or mildew.

Swanstone
BATH SOLUTIONS

Transform your bath with the beauty and durability of Swanstone. Our high-performance solid surface stands-up beautifully to everyday use. From shower walls, floors and accessories to vanity tops/bowls, wainscoting, molding and trim, Swanstone offers you a complete suite of high-performance bath solutions.

1. **Vanity Top and Bowls** *(p 19-24)*
2. **Shower Walls** *(p 5-10)*
3. **Accessories** *(p 17-18)*
4. **Shower Floors** *(p 11-13)*
5. **Custom Tub Deck** *(p 16)*
6. **Wainscoting** *(p 16)*

SWANSTONE BATH SOLUTIONS

Showers

Whether it's a refreshing wake-up or a soothing respite after a busy day, the shower should be a place of calm and comfort. Our wide array of shower solutions can help you create just that. Stylish and durable Swanstone showers are not only attractive, but easy to clean as well. So pamper yourself a little – with a beautiful, long-lasting Swanstone shower.

Create your dream bath with Swanstone. From vanities to wainscoting, Swanstones's wide range of styles and colors makes coordinating a snap.

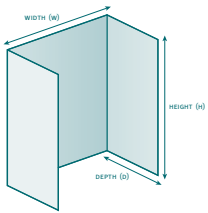
For your shower, choose high-performance Swanstone.

- Swanstone reinforced solid surface means color and texture run all the way through and cannot wear away.
- No surface coating to chip or crack.
- Will not mold or mildew, no grout to clean.
- Ideal for remodeling, Swanstone shower walls can easily be carried by one person and glued up over existing surfaces.

Shower Selection Guide

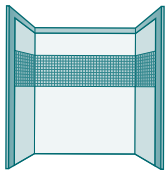
1: Determine your shower size.

Let's start at the beginning. The first thing to consider when remodeling or building a new shower is the size. Our floors, wall kits and panel products are categorized by size. Shower Wall Kit names are based on **WIDTH (W)**. To find the right products for your specific need, measure your desired depth, width, and height (use finished wall dimensions, not stud-to-stud).



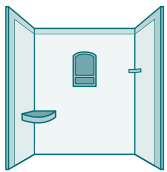
2: Make it your own.

One of the beautiful things about Swanstone is the ability to customize. Choose from our wide assortment of solid and aggregate colors and select the one that best complements your room. But color choice is just the start. Why not consider decorative wall panels? Or matching trim coordinates? We've got lots of ideas to help you make it uniquely yours.



3: Choose your accessories.

Need a soap dish? We've got matching options. How about a shower seat? Or perhaps a recessed shelf? With Swan, it all ties together beautifully. Our accessories are made of matching solid surface, so they look great – and work great.



Use our Online Shower Selection Tool for quick and easy bathroom planning.

For an interactive shower selection experience, try our Shower Selection Tool at **swanstone.com**. Create your ideal shower, visualize it, and our tool will generate a list with exactly what parts you need. It makes shower selection a snap!

Wall Kits

SK-363672 shown in tahiti gray (053).

36" Shower Wall Kit

SK-363672
Fits size: *36" x 36" x 72"*
(914mm x 914mm x 1829mm)

- Undermount bowls install under any countertop, including granite, solid surface and tile.

SWANSTONE BATH SOLUTIONS

Custom Vanity Tops

Design and shape your vanity to fit your precise taste with a Swanstone Custom Vanity Top. From oversize bowls to sculpted edges, Swanstone has a wealth of options to help you create the look that's just right for you.

Swanstone offers a full selection of accessories and ideas, visit our website at www.swanstone.com. Our site is regularly updated with case studies and new design concepts.

Go ahead. Be creative!

- Design your vanity top, any size up to 122".
- Place the bowl anywhere on the vanity top.
- Choose a matching or contrasting bowl color.
- Install the bowl as a drop-in, or an undermount for a seamless look.
- Finish with a choice of decorative edge options.

Why create a custom vanity top?

Make it any size and color you want.

Your vanity can be any size you need, up to 122". Also, because vanity tops are made from Swanstone, there are numerous colors to fit your tastes and needs. Swanstone reinforced solid surface means color and texture cannot wear away. Numerous edge treatments are also available.

You've got tons of bowl options.

Choose from a clean-lined European model, a soft petal-textured model or above counter wash basin. You can also choice a matching or contrasting bowl color in a solid or aggregate.

WW-2218
Palladio Above Counter Washbasin

You can put the bowl anywhere.

With a custom vanity, the bowl can be installed as a drop-in or undermount anywhere within the vanity top. The vanity top is heat, stain and scratch resistant for lasting beauty.

Finish with a Decorative Edge.

Because Swanstone is a solid surface, there are a variety of edge treatment options to choose from.

SWAN BATH SOLUTIONS

When your budget calls for fresh, affordable bath solutions, Swan has options. Our compression-molded materials are non-porous, highly durable and will not mold or mildew. For tubs, baths and shower walls, you'll find our Swan products are affordable, wear-resistant, easy to maintain – and we cover them with the industry's best warranties.

1. **Tub and Shower Walls** *(p 27-34)*
2. **Bathtub** *(p 34)*
3. **Wainscoting (Swanstone)** *(p 16)*
4. **Vanity Top (Swanstone)** *(p 19-20)*

ALTERNATIVES TO SWANSTONE BATH SOLUTIONS

Tub and Shower Walls

Swan tub and shower walls offer you outstanding affordability, wear-resistance and easy maintenance in any bathroom setting. The panels easily fit through existing doorways and can be installed by one person. The sturdy, interlocking system nails directly to studs for a quick, easy installation — with no caulking.

Want to mix and match more than one material for your bath? For example, a Veritek® shower and a Swanstone vanity top? Not a problem. Our wide range of styles and colors makes coordinating simple.

Swan: Strong. Beautiful. Affordable.

- Enjoy the elegant look of tile with no grout to clean.
- Durable, non-porous Veritek will not mold or mildew.
- Veritek tub wall kits have no surface coating to chip or crack.
- Durable, baked-on finish gives our tub wall kits their ultra-bright, glossy surface.

Veritek® Tub Wall Kits

Swan
KITCHEN SOLUTIONS

Your kitchen is a place for creativity, warmth and hospitality. With our wide range of styles and solutions, Swanstone can help create a space that's beautiful and functional. Whether you're preparing a meal or sharing a moment with friends, a Swanstone kitchen adds beauty and value to your home.

1. **Custom Countertop** *(p 49-50)*
2. **Backsplash** *(p 49-50)*
3. **Granite Sink** *(p 39-42)*
4. **Swanstone Kitchen Sink** *(p 43-48)*

SWAN KITCHEN SOLUTIONS

Drop-In Granite Sinks

Put the power and elegance of granite to work in your kitchen. Few other materials offer such a unique combination of sophistication and functionality. Available in standard sizes, our drop-in granite sinks also install as undermounts.

With Swanstone's wide array of solid or aggregate colors, a Swanstone countertop will beautifully complement your Swan granite sink.

The Strength and Beauty of Granite.

- Sets a new standard for design innovation, sophistication and flexibility.
- A like-new appearance for years to come.
- Made with 80% quartz natural stone – only a diamond is harder.
- Each style is available as a drop-in or undermount.

Drop-In Granite Sinks

Double Bowl

QZDB-3322

Bowl size:	*33"w x 22"d (838mm x 559mm)*
Bowl depth:	*9" (229mm)*

- Contemporary design applied to classic sink features.
- Virtually indestructible, will not damage from kitchen use.

Single Bowl

QZSB-2522

Bowl size:	*25"w x 22"d (635mm x 559mm)*
Bowl depth:	*9" (229mm)*

- Ideal for remodeling or new construction.
- Standard size makes it an ideal replacement sink for an easy kitchen update.

Ascend Bowl

QZAD-3322

Bowl size:	*33"w x 22"d (838mm x 559mm)*
Bowl depths:	*10" (254mm) 6" (153mm)*

- Innovative raised platform with decorative channels is ideal for food prep, dishwashing and cleanup.
- All the space of a larger single basin plus a smaller bowl for fast filling and less water.

Large/Small Bowl

QZLS-3322

Bowl size:	*33"w x 22"d (838mm x 559mm)*
Bowl depths:	*10" (254mm) 7" (178mm)*

- Low divider allows large pans to fit into sink.
- Shallow depth of small bowl means easier reach for food prep and cleanup.

Bar Sink

SWAN KITCHEN SOLUTIONS

Undermount Swanstone Kitchen Sinks

Bring a contemporary style and elegance to your kitchen with a Swanstone Undermount Kitchen Sink. Our standard sizes and broad palette of colors make it easy for you to get precisely the look want.

Complete your sink setup with Swan accessories, including baskets and basin racks.

Accent Your Kitchen with a Swanstone Sink.

- Renewable surface will not wear away.
- Heat resistant to 450°. Hot pots and boiling water will not harm it.
- Highest resistance to impact from heavy objects.
- Easily accommodates all faucet styles.
- Heat, stain and scratch resistant for lasting beauty.

Undermount Kitchen Sinks

Single Bowl

US-2215

Bowl size: *25"w x 21¼"D (635mm x 540mm)*

Bowl depth: *8" (203mm)*

- Simple, compact design to fit any kitchen.

Double Bowl

US-3015

Bowl size: *33"w x 21¼"D (838mm x 540mm)*

Bowl depth: *8" (203mm)*

- Our most popular sink style.

Large Bowl

US-2021

Bowl size: *21"w x 20¼"D (533mm x 514mm)*

Bowl depth: *9" (229mm)*

- Mix and match for a variety of combinations to create a distinctive look.

Small Bowl

US-1711

Bowl size: *11"w x 17¾"D (279mm x 451mm)*

Bowl depth: *7½" (191mm)*

Round Bowl

USRB-18

Bowl diameter: *18½" (470mm)*

Bowl depth: *8" (203mm)*

- Versatile for prepping vegetables or entertaining.

Entertainment Sink

US-1210

Bowl size: *13½"w x 15½"D (343mm x 394mm)*

Bowl depth: *7" (178mm)*

- Great size for a bar or island area.

SWAN KITCHEN SOLUTIONS

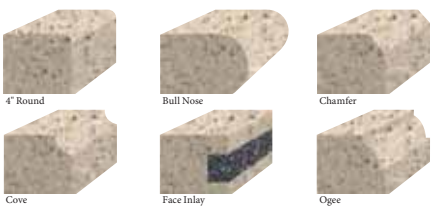
Swanstone Countertops

Replacing your countertop with high-performance Swanstone is a fast and easy way to transform your kitchen. With many fabrication options, Swanstone adds superior design flexibility, upscale value and beauty. The ultimate in durability, Swanstone countertops are backed by a 10-year limited warranty.

For long-lasting value and matchless quality, there's nothing like high-performance Swanstone in your kitchen.

Why your next countertop should be a Swanstone.

- Five times stronger than other solid surfaces, Swanstone resists scratches and food stains – and it won't break, even when hit by a hammer.
- The highest heat resistance in the industry (450°) means pots and pans can't burn it.
- Very easy to clean and maintain.
- Swanstone offers the largest selection of matching or contrasting sinks in solid or aggregate colors
- Choice of backsplashes and decorative edge treatments are available.



Because Swanstone is a solid surface, it is possible to choose a decorative edge treatment, such as those pictured here.

Swanstone
COMMERCIAL SOLUTIONS

With its durable, reinforced solid surface and endless fabrication and customization possibilities, Swanstone is the perfect solution for commercial, retail, laboratory or hospital settings. Both polished and practical, Swanstone reinforced solid surface can be made in the exact shape and size you need to fit any design or industry specifications.

1. **Custom Vanity Top and Bowls** *(p 23-24)*
2. **Wainscoting** *(p 16)*
3. **Shower Walls** *(p 5-10)*
4. **ADA Universal Design** *(p 57-60)*
5. **Shower Floors** *(p 11-12)*

SWANSTONE COMMERCIAL SOLUTIONS

Commercial Applications

Whether for bath or kitchen – hospital, laboratory, retail or public setting – Swanstone's endlessly flexible fabrication options are a smart investment in lasting beauty. Choose from a wide variety of easy-to-clean colors, always fabricated to meet your exacting standards.

With manufacturing facilities in Centralia, Illinois, we proudly manufacture Swanstone, Veritek and Swan High-Gloss material systems in the USA.

Why use Swanstone for commercial applications?

- Heat resistant to 450°.
- Resists scratches and stains from utensils, food, dyes and harsh chemicals.
- Five times stronger than other solid surfaces.
- Easy to clean; won't mold or mildew.
- Color and texture are consistent throughout, with no surface coating to crack or chip.
- A range of colors and styles.

Healthcare Facilities

ADA Shower floors and walls – St. Anthony's Hospital, Missouri

A seamless performance by Swanstone shower floors and walls.

Swanstone walls and floors have been chosen by St. Anthony's Hospital and other hospitals across the country because of excellent performance results in high traffic areas. We also have a line of ADA compliant products including shower floors, seats, grab bars and more.

Military Housing

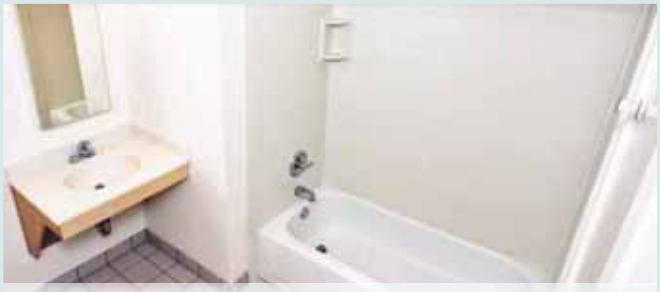
Vanity Top – Fort Sill, Oklahoma

Vanity Top – Camp Lejeune, North Carolina

Swanstone vanity tops— toughness that's tough to beat.

Impact-resistant and virtually indestructible, Swanstone vanity tops are non-porous and reinforced to make them stronger than other materials. Attractive and easy to clean, each vanity top includes a one-piece integral bowl and backsplash.

Education



Vanity top and tub walls – University of California, Berkeley

Seamless Swanstone tub walls won't chip or crack, mold or mildew.

Swanstone vanity tops and tub walls were chosen for all units of the University of California-Berkeley family student apartments. The university was impressed with Swanstone's ease of installation and application time – faster than the porcelain tile and epoxy grout previously used.

Public Housing

Tub wall kit – Griffin, Georgia

Shower Solutions Made to Last

Built to stand the test of time, Swanstone shower walls and floors won't chip, crack, mold or mildew – even after years of abuse from tenants. Our full line of ADA compliant products is just as tough, including shower floors, seats, grab bars and more.

ADA shower floors, walls, seat, grab bar – Fulton, Missouri

Public Spaces

Swanstone countertop – McDonald's Restaurant

Custom fabricated countertop – Peter Pan Bus Lines

Laboratories

Custom countertops – British Dental Lab

Countertop and sink – Francis Howell High, St. Charles, Missouri

Use our Online Shower Selection Tool for quick and easy bathroom planning.

For an interactive shower selection experience, try our Shower Selection Tool at **swanstone.com**. Create your ideal shower, visualize it, and our tool will generate a list with exactly what parts you need. It makes shower selection a snap!

COMMERCIAL SOLUTIONS

Universal Design

When your specifications call for ADA compliance, call on us. From shower floors, and seats to thresholds and grab bars, Swan can answer your design needs with a range of Universal Design solutions.

ADA guidelines, line drawings and CAD symbols can be found at our website, www.swanstone.com.

Accessible, Compliant Solutions.

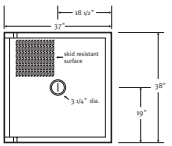
- Shower floors with separate ramp section to fit existing floor height.
- Comply with all ADA accessibility guidelines.
- Overlapped seams and soap dishes do not interfere with the minimum distance required between the wall and inside grab bar.

Swanstone Universal Design Shower Floors

Universal Design Transfer Models

STS-3738 *37" x 38" (940mm x 965mm)*

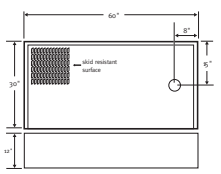
- Meets ADA accessibility requirements for use in all bathing facilities.



Universal Design Barrier Free Models

SBF-3060L (left side drain)	*30" x 60" (762mm x 1524mm)*
SBF-3060R (right side drain)	*30" x 60" (762mm x 1524mm)*
BF-1260 Barrier Free Ramp	*12" x 60" (305mm x 1524mm)*
BF-6000 Removable Threshold	*12" x 60" (305mm x 1524mm)*
BF-FT Flexible Threshold	*12" x 60" (305mm x 1524mm)*

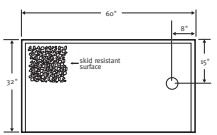
- The Swan Barrier Free Shower Floor meets ADA accessibility requirements for use in existing bathing facilities. It does NOT meet those requirements for new construction.



Retrofit

SR-3260L (left side drain)	*32" x 60" (813mm x 1524mm)*
SR-3260R (right side drain)	*32" x 60" (813mm x 1524mm)*

- Replace a bathtub with a shower floor without moving existing plumbing.
- Retrofit systems are NOT ADA-compliant, but feature a lower threshold than standard floors for easier access.

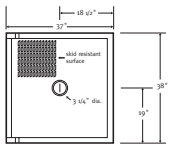


Veritek® Universal Design Shower Floors

Universal Design Transfer Models

FTS-3738 *37" x 38" (940mm x 965mm)*

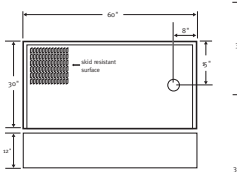
- Available only in white, bone and bisque.
- Meets ADA accessibility requirements for use in all bathing facilities.



Universal Design Barrier Free Models

FBF-3060L (left side drain)	*30" x 60" (762mm x 1524mm)*
FBF-3060R (right side drain)	*30" x 60" (762mm x 1524mm)*
FBF-1260 Barrier Free Ramp	*12" x 60" (305mm x 1524mm)*
BF-6000 Removable Threshold	*12" x 60" (305mm x 1524mm)*
BF-FT Flexible Threshold	*12" x 60" (305mm x 1524mm)*

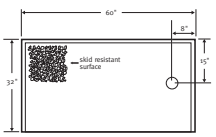
- Available only in white, bone and bisque.
- The Swan Barrier Free Shower Floor meets ADA accessibility requirements for use in existing bathing facilities. It does NOT meet those requirements for new construction.



Retrofit

FR-3260L (left side drain)	*32" x 60" (813mm x 1524mm)*
FR-3260R (right side drain)	*32" x 60" (813mm x 1524mm)*

- Available only in white, bone and bisque.
- Replace a bathtub with a shower floor without moving existing plumbing.
- Retrofit systems are NOT ADA-compliant, but feature a lower threshold than standard floors for easier access.



Universal Design Accessories

Folding Shower Seat

BF-2300L	**(left side wall installation)**
Size:	*23½"w x 22½"D (597mm x 572mm)*
BF-2300R	**(right side wall installation)**
Size:	*23½"w x 22½"D (597mm x 572mm)*

- Left or right styles will fit back wall or either side wall.

Grab Bars

BF-2448	**L-Shaped Stainless Steel Grab Bar**
Size:	*24" x 48" (610mm x 1219mm)*
BF-5024	**Straight Stainless Steel Grab Bar**
Size:	*24" (610mm)*
BF-5048	**Straight Stainless Steel Grab Bar**
Size:	*48" (1219mm)*
BF-5072	**Stainless Steel Grab Bar Kit**
Includes **BF5024 & BF5048**	
GB-0014	**Straight Stainless Steel Grab Bar**
Size:	*14" (356mm)*
GB-1432	**L-Shaped Stainless Steel Grab Bar**
Size:	*14" x 32" (356mm x 813mm)*

- Swanstone offers grab bar designs to accommodate both side wall and back wall seat applications.

Thresholds

BF-6000	**Removable Threshold**
BF-FT	**Flexible Threshold**

COMMERCIAL SOLUTIONS

Utilities

When it's time to get busy, Swan's utility products and accessories are ready to go to work. Our selection of laundry tubs, service sinks and shower cabinets offer you solutions that are strong, practical and performance-minded.

For a list of accessories to accompany laundry tubs, including faucets, go to www.swanstone.com.

Durable. Durable. Durable.

- Tubs available in a wide variety of sizes.
- Floor standing tubs are sturdy with angular legs.
- Will not mold or mildew.
- Most tubs can be wall mounted or free standing.

Laundry Tubs

Veritek® Double

MF-2F (Floor Standing)
MF-2W (Wall Mounted)
Size: *45⅝"w x 23⅜"d (1153mm x 594mm)*
Capacity: *44 gallon (166L)*

- Molded-in wash board.
- Made of sturdy Veritek with no surface coating to chip or crack.
- Includes one set of angular steel legs (4) or hardware for wall bracket assembly.

Veritek®

MF-1F (Floor Standing)
MF-1W (Wall Mounted)
Size: *22¾"w x 23⅜"d (581mm x 594mm)*
Capacity: *22 gallon (83L)*

- Molded-in wash board.
- Made of sturdy Veritek with no surface coating to chip or crack.
- Includes one set of angular steel legs (4) or hardware for wall bracket assembly.

Polypropylene

PT-1
Size: *22"w x 25"d (559mm x 635mm)*
Capacity: *22 gallon (83L)*

- Molded-in drain & stopper.
- Affordable utility.
- Includes one set of angular steel legs (4).

Structural Foam

SF-1F (Floor Standing)
SF-1W (Wall Mounted)
Size: *20"w x 24"d (508mm x 610mm)*
Capacity: *22 gallon (83L)*

- Molded-in drain & stopper.
- Lightweight, but strong.
- Includes one set of angular steel legs (4) or hardware for wall bracket assembly.

Veritek®

ST-1F (Floor Standing)
ST-1W (Wall Mounted)
Size: *23"w x 222"d (584mm x 572mm)*
Capacity: *22 gallon (83L)*

- Chrome-plated tubular steel legs.
- Includes one set of tubular steel legs (4) or hardware for wall bracket assembly.

Drop-In Laundry Tubs

Veritek®

DIT

Size: *25"w x 22"d (635mm x 559mm)*

Capacity: *17½ gallon (66.225L)*

Fits opening: *23⅝"w x 20¾"d (600mm x 524mm)*

- Installs into countertop for an upgrade laundry room look.
- Also available in limited aggregate colors.
- Includes one tub and drain with hardware for countertop attachment, and complete installation instructions.

Veritek®

DIT-S

Size: *17¼"w x 20"d (438mm x 508mm)*

Capacity: *8 gallon (30L)*

Fits opening: *15⅝"w x 18⅛"d (403mm x 473mm)*

- An upgrade countertop laundry tub in a compact size.
- Also available in limited aggregate colors.
- Includes one tub with hardware for countertop attachment, and complete installation instructions.

Accessories

DG-55

WS-1

• Fits Swanstone Table Top Models **RT-36, TT-3636, TT-2442**.

TL-30 *30" round base, 4" column, 15" spider*
• Fits Swanstone Table Top Models **RT-42, RT-48**.

SWANSTONE

Green Building

How does Swanstone solid surface lessen environmental impact? Because it's built to last. Five times stronger than the competition and heat resistant to 450°, it's nearly impossible to damage, yet easily restored should the need arise. It's nontoxic, non-carcinogenic, and chemically inert. That's what makes Swanstone your environmentally friendly product of choice for green building design. Visit www.swanstone.com/green.

The Our Planet Color Collection

prairie **(122)** canyon **(124)** glacier **(121)** acorn **(123)**

Recycled materials benefit the environment, but they may show slight variation in color or tone between batches. As such, actual colors may vary slightly from those shown here or from actual samples.

OUR PLANET COLLECTION
Patent Pending

As designer-friendly as they are eco-friendly

- Contribute to a project's LEED credits: MR 4 for post-consumer recycled content and MR 6 for rapidly renewable materials.
- Satisfies today's demands for eco-friendly and high-performance surfaces in educational, military, healthcare and public housing applications.
- The Our Planet Collection is already developed and is being tested in select markets now.

How does Swanstone lessen environmental impact?

- It's built to last a lifetime.
- Swanstone is five times stronger than competitors.
- It's a hard, non-porous material that is heat resistant up to 450°.
- Swanstone is resistant to chemicals, bacteria, mildew, and mold, and does not affect plants, soil or water.

Our manufacturing process is environmentally responsible.

- Our closed molding process significantly reduces VOCs and other pollutants.
- We recently instituted an enhanced state-of-the-art oil-recycling program.
- Solvents are recovered onsite, reducing consumption by 40%.
- We recycle all ferrous metals and more than 90% of scrap cardboard.
