Bradley's Diplomat Accessories complete the look of the restroom with dual-curve geometry and an array of unique features.

Model 2A09 and 2A95 combi models allow you to hide owner-supplied paper products – maintain a single look throughout the toilet room no matter how often the paper supplier changes.

**Roll-Towel Dispensers** are available in manual, automatic or customer choice roll-towel options. Maintain design aesthetic in spite of towel contracts as most popular brands will fit. No more unsightly holes in the walls, less wasted paper and easy maintenance.

**Folded Towel Dispensers** are easy to load, easy to service.

**Waste Containers** three sizes and three mounting options.

**Napkin/Tampon Vendors** are ADA-compliant – no jams, no false feeds.

**Napkin/Tampon Waste Receptacles** accept all after-market industry liners.

**Toilet Tissue Dispensers** dispense freely with no binding – through-partition tissue dispenser also available.

**Seat-Cover Dispensers** complete the line.

**Locks** are easily accessible and a **single key** opens all models for convenience and fast service.

**Soap Dispensers** accept all liquid soaps and hand sanitizers. Hundreds of thousands of cycles, tested in high traffic settings.
