- 29 Stocked PAC-CLAD Finishes - .050 Aluminum
- 6 Stocked PAC-CLAD Finishes - .063 Aluminum

ACCESSORIES

- Miters
- Endcaps

WARRANTY

A Wind and Ventilation warranty is available. It guarantees that the systems:

- When designed according to the calculated NFA will provide proper ventilation for the project.
- Will withstand winds of up to 120 mph
- Will be free of defects in the supplied materials

The warranty covers repairs or replacement of the system for 20 years or the lifetime of the roof on which it was originally installed, whichever comes first.
