FLOOR GRIDS AND MATS

- Shallow and Deep Pit Grids
- Roll Up Mats
- Solid Bronze

Balcou's versatile series of floor grid and floor mat systems gives the design flexibility you need to create impressive entrances.

The classic FG series, perfect for high profile projects, is available in both shallow grid or deep pit grid, which utilizes an attractive tread bar system bolted into rugged U channels. Dirt and moisture collect underneath the surface to keep floors clean and reduce maintenance, and rails can be replaced without dismantling the entire grid system.

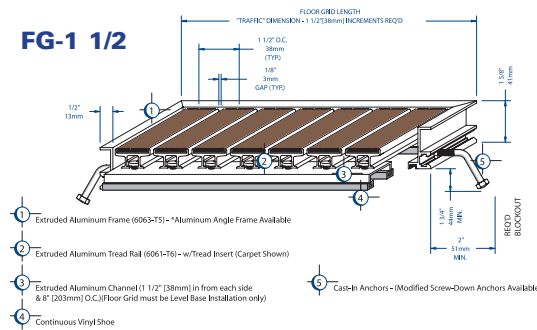

If an easy-to-roll design is critical, Balcou's recessed and surface roll-up mats are a great choice for either new construction or after market applications. Our premium floor mat features vinyl hinges; the FM2 series is sturdy all-aluminum.

Both grid and mat products are also available in sophisticated solid bronze.

FG - FLOOR GRID

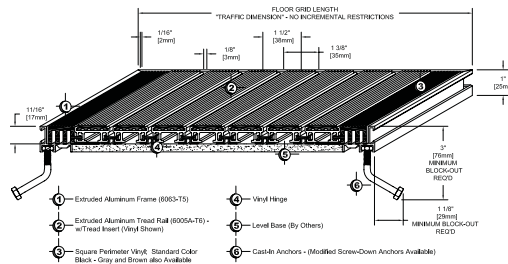

Balcou's "Top of the Line" Shallow Pit Floor Grid System - Standard Mill Finish Aluminum; Clear Anodized & Medium Bronze Anodized Finishes Available.

FG-1 1/2

FGLP - LOW PROFILE FLOOR GRID

THE SENTRY™ SYSTEM

Description and Data Sheet

- Reduces Slips & Falls
- Removes Dirt, Debris & Moisture
- Improves Entrance Appearance
- Surface Mounted, Recessed look
- Limited 3-Year Warranty

Material

The Sentry™ System combines our Vinyl Hinge Roll up mat with wear-resistant carpet tiles to form a highly effective system for dirt removal at your entrances.

Properties

When configured according to specs, this System can trap up to 90% of the dirt and protect your floors and carpets.

Size Availability

The Sentry System can be installed to fit any entrance space.

TacFast® Backing

TacFast® utilizes an innovative hook-and-loop technology that allows carpet tiles to be removed and replaced or repositioned for maximum life.

Environmentally Safe

With TacFast® backing, there is no need for adhesives, therefore eliminating short-term volatile organic emissions (VOC) and improving indoor air quality.

Usage Areas

Recessed or surface mounted entrance systems in high traffic environments, including retail, commercial and institutional entrances.

Warranty

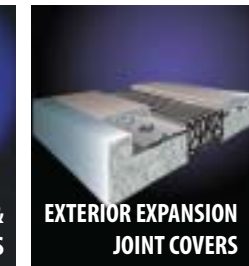

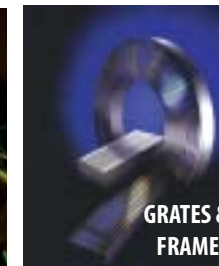

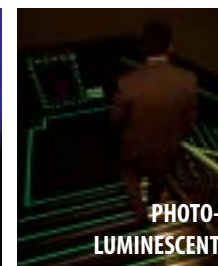

3-year Limited Warranty
