

ILLUMITREAD™
EXIT PATH MARKING SYSTEM
WARRANTY POLICY

Balco, Inc. warrants to its purchasers that all products sold by them will be free from manufacturing and material defects and meets the requirements of the International Building Code 403.16 Exit Path Markings, Section 1027, the NFPA 101 Life Safety Code and New York City Building Code Reference Standard RS 6-1 & 6-1A. Any defective product will be replaced or repaired free of any charge, provided a claim is brought to our attention, in writing, within the established warranty period following the date of shipment by us and provided our examination shows the product has failed under the terms of this warranty. The established warranty period for all IllumiTread™ products is five (5) years from the date of sale. The photoluminescent pigment and glow properties of these products will be warranted for twenty five (25) years from the date of sale. All photoluminescent products will continue to charge and emit glow with less than a 5% loss of light output over *a 25 year period*.

Balco, Inc. shall have no obligation under this warranty if owner subjects materials to improper conditions or abuse or if installation was not in accordance with Balco's Installation and Maintenance Instructions (refer to Balco's Installation and Maintenance Instructions). Also, our warranty does not apply in circumstances where the photoluminescent products were not appropriately charged by light prior to use in darkened conditions. This is in lieu of all other warranties, expressed or implied, and is the sole warranty extended by Balco, Inc. Our liability under this warranty is limited to repair or replacement and does not include any responsibility for consequential or other damages of any nature. It is further agreed and understood that the price stated for the seller's products is consideration for the limitation of seller's liability hereunder.
