“ State of the Art attachment system fits any carpet or finished surface ”

(edge protection provides ease in cleaning and permanence in application)

*Balco's IllumiTread™* brings you these great new glow in the dark aisle markers:

- Aisle Markers recharge with normal indoor lighting
- Aisle Markers glow brightly, distinctly and yet discreetly throughout the performance
- Easy clean, anti-graffiti protection surface
- Maintenance free
- Easy and fast installation

“ By enabling people to find their own seat in the middle of a performance you can reduce your staffing costs. ”

*Balco's IllumiTread™* is a high-quality, electricity-free path-finding solution for stadiums, arenas, theaters and public buildings.
