The Instant, Self-Adhesive Anti-Slip Safety Surface.

The fast, easy and economical way to prevent slips and falls. Exceeds OSHA, ADA and ASTM requirements.

**Product Safety**

Improve the safety, performance and the operating ease of your product with Flex-Tred® anti-slip tape. Reduce your liability risk! Application is fast and easy – a simple “peel and stick” is all that’s required. We can supply custom die cuts to fit your application and a variety of colors to enhance aesthetics.

**Workplace & Walkway Safety**

Help reduce the risk of lost time from accidents due to slips and falls and help meet OSHA requirements by applying Flex-Tred® to walkway and step surfaces. Flex-Tred® can reduce the risk even in the presence of water, oil, or grease. Our “Safety Yellow” color can be used to emphasize caution in specific areas.

**Photoluminescent Guidance**

Flex-Tred® NITEGLOW® is an anti-slip photoluminescent safety surface designed to install quickly and provide durable pedestrian safety and guidance in evacuations. Provide a solid and continuous stripe of photoluminescent material on the lead edge of steps, around landings and through hallways and doorways.

**Colors**

A variety of colors are available to coordinate with your product or decor, or to provide contrast. No other manufacturer offers the spectrum of colors available from Wooster Products. (See color chart on back.)
**GENERAL PROPERTIES**

- **Flexure**  
  Flex-Tred® bends over sharp 90° angles without fracture. Repeated bending without cracking or failure of bond.

- **Temperature Limits**  
  Applied Flex-Tred® has a useful temperature range of -40°F to 220°F. However, limited exposure to temperatures above 220°F will not harm Flex-Tred®.

- **Steam Cleaning**  
  Applied Flex-Tred® will tolerate steam cleaning.

- **Detergent Cleaning**  
  Applied Flex-Tred® will tolerate detergent cleaning.

- **Environmental Resistance**  
  Flex-Tred® is essentially unaffected by climactic exposure and mild acid or alkali exposure under normal conditions.

- **Shelf Life**  
  Flex-Tred® shelf life is two years minimum.

---

**APPLICATIONS**

**Anywhere You Need an Anti-Slip Surface**

- **Workplace**
  - Around work benches, laundries
  - Machinery work stations, kitchens
  - Platforms, scaffolds, cherry pickers
  - Boiler and furnace areas, etc.

- **Product**
  - Recreational vehicles (campers, motor homes, trailers)
  - Exercise equipment
  - Lawn and garden equipment
  - Lift trucks, ladders, trucks, construction equipment
  - Farm tractors and equipment, playground equipment
  - Skateboards, skis, spas, utility vehicles
  - Boats, aircraft, baggage handling equipment
  - Snowmobiles, golf carts
  - Bumpers, running boards, etc.

- **Walkways**
  - Stairs, entrances, ramps, docks, pool areas
  - Porches, decks, balconies, ski-lift access areas
  - Catwalks, patios, galleys, etc.

---

**WOOSTER FLOOR PREP**

Wooster Floor Prep is an effective alkaline cleaning compound recommended for cleaning all types of interior and exterior floor surfaces, prior to applying Flex-Tred®. Coverage: Each 5 oz. bottle will clean approximately 50 sq. ft.

---

**FLEX-TRED® Improves Coefficient of Friction of Most Surfaces in Wet or Dry Use**

Coefficient of friction tests run per specification Mil-D-17951C (ships) using rubber test vehicle. Higher numbers indicate better coefficient of friction.

**COMPARISON OF VARIOUS SURFACES: STATIC COEFFICIENT OF FRICTION**

Flex-Tred meets or exceeds specifications for Mil-D-17951E (ships); Motor Vehicle Safety Standard No. 302; Walkway Matting, Non-slip Mil-W-5044C, Type IV, ADA, ASTM and OSHA.
TEXTURES

A Variety of Applications

STANDARD ROLL SIZES

Custom sizes for rolls and die cuts available by request.

- 3/4" x 60 ft. - packed 16 rolls per carton
- 1" x 60 ft. - packed 12 rolls per carton
- 2" x 60 ft. - packed 6 rolls per carton
- 3" x 60 ft. - packed 4 rolls per carton
- 4" x 60 ft. - packed 3 rolls per carton
- 6" x 60 ft. - packed 2 rolls per carton
- 8" x 60 ft. - packed 3 rolls per carton
- 12" x 60 ft. - packed 1 roll per carton
- 18" x 60 ft. - packed 1 roll per carton
- 24" x 60 ft. - packed 1 roll per carton

BENEFITS

- Anti-Slip
  From any direction wet or dry, cuts risk of slips or falls.
- Reduces liability exposure
- Quick & Easy to Install
  Installs in seconds on any dry, clean, smooth surface. Just remove the protective liner from the underside to expose the special pressure-sensitive adhesive, then apply in the proper position and roll or press in place.

ECONOMICAL

- Resistant to Solvents
- Durable
  Long wearing
- Super Adhesion
  Each piece has a heavy coating of pressure-sensitive adhesive specially formulated for a superior bond to practically any clean, dry, smooth surface.

CUSTOM DIE CUTTING

Inexpensive special die-cut shapes are readily available. Special cut-outs, product identification, logos, and directions can be supplied in just the right shapes so all you do is peel and stick in place.

STANDARD DIE-CUT SIZES

All standard sizes are packed 50 pieces each carton.

STRIPS AND CLEATS STANDARD CUT SIZES:

- CAUTION
  6" x 24"
- 3" x 24"
- 3" x 36"
- 2" x 24"
- 1" x 24"
- ½" x 24"
- 5½" x 5½"
- 5½" Dia.

Custom Sizes On Request • Standard tolerance + - ¼”
Marine and Pool Colors

With a special design for bare feet, Flex-Tred's abrasive surface is adhesive backed, economical and easily installed. There are many colors to choose from including safety strips, camouflage, and glow-in-the-dark. Special shapes available for OEMs. Ready for immediate use on pool decks, ramps, pleasure crafts, fishing docks, and boats. Order from our standard size rolls, standard die-cut sizes, or custom order your own die cut shape.

Teak Brown  Ocean Gray  Pebble White  Clear Fine  Marine Black
