# Glasstec

America's finest handcrafted, frameless tub and shower enclosures give your bathroom a look of elegance. Glasstec enclosures are sleek, clean and unrestricted with emphasis placed on quality construction. Unlimited options ensure a truly personalized bathroom. Choose the non-header, header, or slider system that best fits your application and style.

## **NON-HEADER SYSTEMS**

- **GPW** (solid brass) /**GAPW** (solid aluminum) wall mounted pivot hinges (pictured below) are available in either solid brass or aluminum and allow door to swing out.
- **GGP** (glass to glass) and **GGPW** (wall mount) pivot hinges are manufactured from solid brass and provide the flexibility of a dual-swing door.
- **GG** solid brass glass-to-glass dual-swing hinges allow you to mount a door to a fixed panel which runs 180° inline. Panel(s) can run full height or can be cut down with use of channels or clips.
- **GW** solid brass wall mount hinges provide dual-swing flexibility.
