STANDARD AND CUSTOM MEDICINE CABINETS

REFLECTIVE BEAUTY FOR THE BATH

Intro | MEDICINE CABINETS

Century's elegant handcrafted medicine cabinets for the bath provide the reflective qualities you need to prepare for your day, or night. Select from three widths, three heights, two depths, and three finishes, or request a custom size to suit your particular needs. You can even get the space saving electric option with outlets inside the cabinet and an anti fog mirror. These installer friendly, mirrored cabinets reflect only the superior quality customers have come to expect from Century. Standard models are available for immediate delivery.

INSTALLER FRIENDLY

All holes are pre-drilled and threaded. Doors are packaged separately for safe handling and ease of cabinet installation, and install in minutes with snap on Blum hinges.

5/16" ADJUSTABLE SHELVES

5/16" glass shelves are thick, strong, and easily adjustable to suit your needs.

MIRROR FINISH

Mirror finish inside and out gives plenty of opportunity to make sure you're looking your best.

ANODIZED ALUMINUM BODY

Solid anodized aluminum ensures your cabinet will hold up to even the busiest bathroom environment for years to come. Available in Black, White, and Satin.

SOFTCLOSE BUMPER

Provides quiet door closure.

WIDE FINGER PULLS

Wide finger pulls for easy opening.

BLUM HINGES

Effortless snap on adjustable Blum hinges opens to 170 degrees, or use limit clips (included) when a 130 degree opening is required.

MOUNTING OPTIONS AND MIRROR SIDE KITS

Cabinets can be surface mount, recessed, or semi recessed. Mirror side kits available for surface and semi-recess applications.

2" MIRROR KIT

Use for semi-recess mounting of 6" deep cabinets

4" MIRROR KIT

Use for surface mounting of 4" deep cabinets

6" MIRROR KIT

Use for surface mounting of 6" deep cabinets
