BABCOCK-DAVIS warrants all **Safety Railings** to be free from manufacturing defects in materials, factory finishes and workmanship for a period of five (5) years from the date of shipment. Should a product fail to function in normal use within this period, Babcock-Davis shall furnish a new part at no charge. Failure to use product in methods consistent with Babcock-Davis product manuals shall relieve Babcock-Davis of any liability. Our liability under this warranty excludes installation or removal costs involved in the product replacement and excludes any responsibility for incidental or consequential damage of any nature.

Maintenance Instructions:

Babcock-Davis manufactures products to be as maintenance free as possible. Products should be manually operated once a year to check performance and adjusted and/or lubricated as required. If any questions arise during the operation or maintenance on the products, please feel free to call our toll-free number listed above for assistance.
