new EZ-Adjust system!

## Prima Series Hinge

Special Top Mount Hinge (Compatible only with EZ-Adjust Header System)

Standard Top and Bottom Mount

Fixed Transom Mount

Offset Bracket Wall Mount

L-Bracket Wall Mount

Inline Panel Mount

135° Glass-to-Glass Mount

Prima Hinges provide extra application possibilities. Their Top and Bottom Pivot style handles the weight of the door better than traditional "Side Mount" hinges, as well as allowing greater glass exposure, thus making for a more aesthetic enclosure. Prima Hinges can be mounted floor and ceiling, floor and wall, floor and fixed transom, floor and adjacent panel, or floor and header for enclosures not reaching the ceiling. CRL's new Special Top Mount Prima Hinge has a built-in adapter plate that allows use with our EZ-Adjust Header System (see top left).

Pin Removed (For Square Corner Cut-Out)

Pin In Place (For "Mouse-Ears" Cut-Out)

The Vienna and Cologne Series Hinges are identical internally, only distinguished by their differing plate styles. The ideal hinges for wider and heavier doors, two hinges can accommodate up to a 36" wide door weighing up to 110 pounds, while three hinges can accommodate up to a 36" wide door up to 140 pounds. Two strategically placed steel pins allow the hinge to be used in a "mouse-ear" shaped cut-out, thus providing a non-slip safety feature. If it's needed to do a rectangular style cut-out, the two steel pins may be removed, allowing more adjustability. Adjustable models (not shown) that have up to 90 degrees adjustment to accommodate "off angles" are also available.

# 'All-Glass' Restroom Partition System

- **'All-Glass' Look Without Post Interruption for 1/2" (12 mm) Thick Glass**
- **2" x 3" (51 x 76 mm) Stainless Steel Posts With Concealed Base Fastener**
- **Posts Mounted Behind Glass to Maximize "Frameless" Appearance**
- **Built Per Your Specifications • Utilizes CRL Shower Door Hardware**
- **Doors Accommodate Slide-Bolt Latches (Sold Separately)**
- **Allows Thru-Glass Mounted Optional Fixtures**

This 'All-Glass' Restroom Partition System will modernize any commercial or institutional bathroom area with your choice of multiple architectural finishes. Since metal posts do not 'interrupt' the glass panels, a beautiful frameless environment is attained. The 'All-Glass' Restroom Partition System allows field adjustable height with a floating top mount appearance. No field fabrication is required, ensuring easy installation. CRL hardware is utilized for this system that is designed for use with 1/2" (12 mm) thick tempered glass. Customers may incorporate several optional fixtures as needed, such as coat hooks, toilet paper dispensers, toilet seat cover dispensers and sanitary napkin disposal.
