## Volcanic Stone Tables

### Hand Painted, Italian Volcanic Stone Tables

Intense colors, exquisite design and high quality are all evident in these tables that are nothing short of artistic masterpieces. Ideal for a restaurant or an outdoor dining patio, Keystone Ridge Designs' originality is complemented by these beautiful, hand-crafted Italian volcanic stone tables by artist Roberto Domiziani. Each hand-painted enameled tabletop is unique not only in the strokes of the artisan's paintbrush but also in the very nature of the materials used to create these works of art. The durability and frost-proof properties of the volcanic stone top make each table weatherproof, creating a true masterpiece that will last.
