## WE DON'T JUST TALK TOUGH. WE BACK IT UP.

Proudly made in the USA, Scranton Products' brands provide industry-leading protection. Because Scranton Products is so confident that our solid plastic partitions will stand the test of time, they're backed with a full 25-year warranty covering breakage, corrosion and delamination under normal conditions.

## EASY ON THE ENVIRONMENT.

As the industry leader in responsible recycling, Scranton Products is committed to reducing industrial waste. We use reclaimed material and offer 100% post-consumer recycled products. We also reclaim all of our scrap and off-cuts into production to create new sheets. Incorporating our solid HDPE plastic products can contribute points toward LEED certification.
