HCR

U Utility Shelf

Whenever large groups gather at convention centers, hotel meeting rooms and other public assembly facilities, they need the rugged practicality of EMCO's coat and hat rack systems. These convenient storage units require limited space and stand up under heaviest use.

- Easy-to-install sturdy aluminum wallstrip and brackets in Satin Black
- Concealed fasteners anchor hanger bars to brackets
- Convenient coat hooks securely fastened in extruded aluminum satin (silver) or bronze slats
- Custom lengths from 2' to 50'
- Hanger bar features an extremely durable, scratch-resistant powder coat finish in Black
- Space efficient, non-obtrusive design

R1 SYSTEM

Shown in Satin (Silver)

This basic hanger system is perfect for hotels, restaurants, churches and schools. It is easy to install and built to last. The slat options are satin (silver) and bronze extruded aluminum as well as the American hardwood selection of light or medium oak and walnut finish.

R2 SYSTEM

Shown in Light Oak

Double shelf unit is the right choice in those situations where additional storage is needed.

HCR HINGED SYSTEM

Shown in Medium Oak

EMCO's unique hinged coat rack system makes compliance with the use and access specifications of the American Disability Act (ADA) simple and economical. When not in use, the HCR model conveniently retracts out of the way.

U UTILITY SHELF SYSTEM

Shown in Satin (Silver)

This utility shelf solves your need for additional storage above an existing shelf or in a storage room by itself. Perfect for lower grade classrooms at just above floor level for storage of boots and other items.

H1 SYSTEM

Shown in Bronze

Maximum capacity with a minimum of space. Molded double-pronged polycarbonate hooks come in Red, Yellow, Dark Brown, Gray, Green, Blue, Purple, Orange or Black.

H2 SYSTEM

Shown in Satin (Silver)

The perfect solution for those situations where additional storage is needed with the hook system.

W HOOK STRIP SYSTEM

Shown in Satin (Silver)

Ideal complement under any shelf system. May also be used by itself. Comes with molded double-pronged polycarbonate hooks in the same colors as the H1 system.

T1 SYSTEM

Shown in Satin (Silver)

Crush-free coat storage system which includes four No. 10 ball top hangers and locked-in-place receptacles per foot of shelf.

10HK HOOK COLOR CHOICES

The 10HK color hook system is perfect for schools and other organizations that strongly identify with colors.

WALLSTRIP

The wallstrip is provided with all shelf units. This makes it easy to adjust the height and to level the coat rack.

Hooks, Hangers and Hook Panels

HOOK COLLECTIONS

EMCO's selection of hat and coat hooks are sure to satisfy your decorating needs. Our hooks are available in aluminum, steel and nylon construction. The many color choices give you the ability to add some spice to your work area. If you prefer, we can mount these hooks directly to oak or walnut panels, which feature soft radius edges, and come with a concealed wall fastener plate. They will accommodate two, three, four or six hook sizes.

HOOK DIMENSIONS

Model	Material	Height	Width	Projection	Colors

(All panels are shipped completely assembled)

Contact Us for Custom Length Hook Panels

13K HOOK SYSTEM

Shown in Light Oak

Attractive panel with A-17 pegs. Perfect wherever space is limited with the need for temporary storage of coats/hats. Has radiused edges and concealed mounting.

HD10 HOOK SYSTEM

Shown in Medium Oak

High quality finish panel board with stylish hook, convenient for hanging on the wall or behind office door. The precision design of double hooks gives added storage in limited space. Choose from 2, 3, 4 and 6 hook panels.

13C2

Shown in Walnut

Convenient storage for restricted space. Handsome enough for the executive office. Fitting compactly behind the door. Has radiused edges, hidden fasteners plus luxury finishes with matching hangers.

13P1

Shown in Medium Oak

Versatile hanging unit for coats and hats gives users choice of hanger or rounded P1 hooks. Comes with attractive finish and matching hanger.

13P2

Shown in Light Oak

This executive costumer is the same style as the 13P1, but comes with two matching wood hangers.

GHP

Shown in Medium Oak

Great for the hospitality industry. This hard wood hook panel utilizes the P1 hook for holding the guests garment bag.

13U6 HOOK STRIP

Industrial quality hooks in brushed chrome. Great for tight fitting spaces.

13U12 HOOK STRIP

Double storage capacity with the 12 hook panel.

13D10 HOOK SYSTEM

A simple, yet complete wall-mounted costumer. A slotted hook below to receive a contemporary hanger with hat holder above. A number 11 ball top hanger is included.

13Y10 HOOK SYSTEM

Designed to accommodate two coats, this costumer uses an aluminum double slotted Y10 hook which holds two number 11 ball top hangers.

20-4 System

Model shown includes optional boot rack.

#72 Portahanger System

#80 Portahook System

Portable Coat Racks

FLOOR RACKS

Rigid construction, clean design and low cost are combined in a basic floor rack. Convenient for hallway or receiving area in office building. Choose single or double sided styles in 3' or 4' lengths in Almond or Black. Hangers are included. Boot rack and casters options are available.

20-3 SYSTEM

Shown in Black

This 36" unit comes with 12 open hook hangers.

22-4 SYSTEM

Shown in Black

This double sided 48" unit comes with 32 open hook hangers.

20-4 SYSTEM

Shown in Almond

This 48" floor rack includes 16 open hook hangers.

22-3 SYSTEM (NOT SHOWN)

This double sided 36" unit comes with 24 open hook hangers.

PORTABLE COAT RACKS

These versatile portable coat racks can be used as temporary check-rooms in a variety of settings including hotels, schools, churches, convention centers and galleries. The racks fold in a snap to 21" x 81" and move through ordinary doorways or narrow corridors. Fully extended, all units are 72" L, 63" H, 27" D. All frames are Black with 3" casters. Choice of satin (silver) or bronze shelves.

#72 PORTAHANGER SYSTEM

Shown with Satin (Silver) Slats

Completely assembled at factory, this hanger model has a 72-coat capacity with a single shelf. Hangers not included.

#80 PORTAHOOK SYSTEM

Shown with Bronze Slats

Forty double-pronged polycarbonate hooks are virtually indestructible and lock inside radiused aluminum shelves. 40 hooks provided accommodate 80 coats.

CLASSROOM WARDROBES

EMCO's Classroom Wardrobes are specifically designed to meet the unique needs of students and teachers in the classroom.

- Tackable front panel surface (available in a variety of colors)
- Variable shelf heights for students of varying ages/heights
- Convenient boot shelf and hat shelf, and an additional storage shelf with hooks (strong enough for back packs)
- Durable, scratch-resistant powder coat finish
- Easy to install, maintenance-free
- Space efficient, non-obtrusive design

15H8 CLASSROOM WARDROBE – CORNER UNIT

Single student unit, or teacher supply closet. Designed with a hook shelf which is adjustable to various heights.

15H16 CLASSROOM WARDROBE

Double student unit contains hooks and shelf space to accommodate coats, books, and supplies for 16 students. The hook-shelves are adjustable for students' easy access.

CONCEALED WARDROBES

Our line of Concealed Wardrobes are ideal for virtually any building where there is the need for convenient storage of coats, umbrellas and other personal belongings.

- Choice of Light Oak, Medium Oak or Walnut laminate for front panel as well as white
- Durable, scratch-resistant powder coat finish
- Easy to install, maintenance-free
- Space efficient, non-obtrusive design

13R4 CONCEALED WARDROBE

Cantilevered simple elegance. The chamfered-edged panel secures to lower die cast aluminum brackets. The lower shelf is ideal for briefcase or boots. Four contemporary hangers are spaced on the hanger bar which has its own bracket for panel and wall attachment. Two separate hat hooks are mounted to the panel interior.

13R4L CONCEALED WARDROBE

To-the-floor legs give additional support which is desirable when walls are not capable of handling extra weight. Four hangers plus full shelf, top and bottom, provide added storage.

13R4D CONCEALED WARDROBE

A fully concealed closet with reversible side door for easy access to garments. Top and bottom shelves for hats, boots and briefcase, yet total projection is only 13". Four contemporary hangers and wall fasteners are furnished.
