Wainscot Paneling

Shaker

Kwalu wainscot paneling is ideally suited to applications where attractive design and Virtually Indestructible™ wall protection is desired. Our wainscot paneling is offered in four standard styles (Shaker, St. James, Oxford, SoHo) and is easily configured for custom designs.

- Low maintenance
- Looks like new year after year
- Withstands daily abuse from wheelchairs, carts, luggage and more
- Coordinates with Kwalu furniture for integrated look throughout facility
- Class "A" fire-rated
- Shaker products available in Kwik-Ship

St. James
traditional, linear

Oxford
double inlay, classic, sophisticated

SoHo
geometric, architectural, modern

Rigid Wall Covering

Kwalu Rigid Wall Covering with 4" base rail and base shoe shown with Kwalu Momentum chair and Edward end table

Kwalu rigid wall covering is the perfect solution for several challenging wall protection applications including moist/wet areas, (such as bathrooms), or those in which the additional thickness of the wainscot paneling components is not desirable. Our rigid wall covering can be adapted to almost any application and is well suited for tight budgets. Some products available in Kwik-Ship.

Beaded panels also available (shown with Kwalu Transitional Handrail and 4" base rail and base shoe)

Wall Guards

4" Wall Guard shown with optional top shoe and Kwalu Ravello chair

Wall Base

6" Wall Base shown with optional base shoe

As with all Kwalu wall protection products, our wall guards and wall base offer the rich, warm texture of wood with the Virtually Indestructible™ durability of our proprietary polymer. Kwalu wall guards and wall bases have an anti-bacterial finish. Coordinate your base and chair moldings with other wall protection products for a complete design.

Handrails

Transitional

Kwalu's Virtually Indestructible™ handrails offer both the personal safety of a strong gripping surface and protection for walls against knocks and bumps. Two styles (Transitional and Round) cover a range of design and budget applications.

Kwik-Ship Program

- 36" Shaker Wainscot Paneling
- 39" Rigid Wall Covering

For wall protection needs – Kwalu's recently introduced Kwik-Ship program provides some of our most popular items in a condensed time frame – just 10-days. Kwik-Ship includes our highly successful Shaker wainscot paneling system at 36" high and rigid wall covering at 39" high, in Southern Pine and Medium Cherry.

Round

Available in a variety of finishes, handrails match Kwalu wall protection for an integrated look. All handrails are Class "A" fire-rated.

Customized Wall Paneling

Custom Wall Paneling shown with Kwalu Symphony chair

Kwalu Wall Paneling offers the freedom to create unique designs to suit your space. Combine Virtually Indestructible™ wood grained colors with custom styles for memorable contemporary layouts.

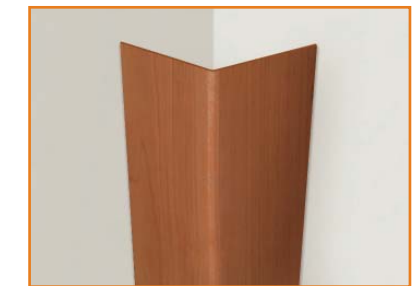

Door Protection

Push Plates and Kick Plates

Doors are perhaps the most vulnerable part of any facility. Kwalu kick plates and push plates are designed to prevent doorway damage while providing aesthetic appeal.

Corner Guards

3" Corner Guard
Other sizes available: ¾", 1 ½", 2"

Kwalu corner guards come in four standard wing sizes and two standard heights (4' and 8') for protecting vulnerable wall corners in any application and any budget. Custom sizes and angles are also available.
