**Oxford**

**SoHo**

# Rigid Wall Covering

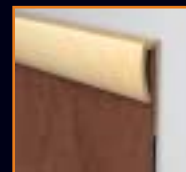

Beaded panels also available.

Kwalu Rigid Wall Covering shown with optional Transitional Handrail, 4" base rail and base shoe.

Kwalu rigid wall covering is the perfect solution for wall protection applications in which wainscot paneling is not considered an appropriate option. With two standard thicknesses, our rigid wall covering can be adapted to almost any application.

**Round**

## Transitional

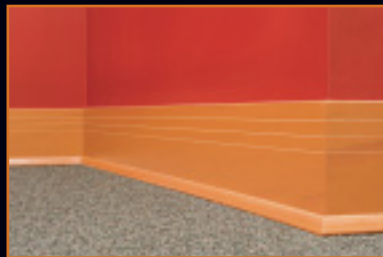

Kwalu's Virtually Indestructible™ handrails offer both the personal safety of a strong gripping surface and protection for walls against knocks and bumps. These styles cover a range of design and budget applications. All Kwalu handrails are ADA compliant.

## Wall Guards

4" Wall Guard shown with Wall Base and Kwalu Symphony Chair.

## Wall Base

6" Wall Base shown with optional base shoe.

As with all Kwalu wall protection products, our wall guards and wall base offer the rich, warm texture of wood with the Virtually Indestructible™ durability of our proprietary polymer. Kwalu wall guards and wall bases have an anti-bacterial finish. Coordinate your base and chair moldings with other wall protection products for a complete design.

## Corner Guards

### CG-.75 (3/4" wing)

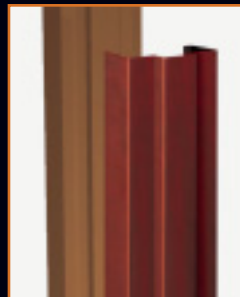

**Other Sizes Available:** CG-1.5 (1 1/2" wing)  
CG-2 (2" wing)  
CG-3 (3" wing)

Kwalu corner guards come in 4 standard wing sizes and two standard heights for protecting vulnerable wall corners in any application and any budget. Custom sizes and angles are also available.

## Door & Door Frame Protection

### Push Plates & Kick Plates

### Door Frame Covers

Doors and door frames are perhaps the most vulnerable part of any facility. Kwalu kick plates, push plates, and door frame covers are designed to stop damage to doorways while providing the design appeal of wood.

## Wall Paneling

Kwalu Wall Paneling offers the freedom to create unique designs to suit your space. Combine Virtually Indestructible™ wood grained colors with custom styles for memorable contemporary layouts.
