Sauder Worship Seating's (SWS) website [www.sauderworship.com](http://www.sauderworship.com) dedicates a section to the design community with detailed information on our support services.

## Complimentary Planning and Bidding Tools

After more than seven decades of building and installing church furniture, we've learned that whether it's a renovation or new construction, the best results come from partnerships – partnerships between architect, builder, and manufacturer. To support your efforts we offer the following tools:

- **NEW-FALL '09** Online product visualization and fabric draping
- **FREE** Online CEU
- An Architect Binder for quick reference
- A Pew Buying Guide explaining the pew specification process
- Budget estimates and samples
- 3 Part specifications
- Full fabric line offering – NEW patterns and color palettes.

## Complimentary Planning and Bidding Services

At SWS, how we do our work, new technologies, new products, new ideas – are always evolving. But our values, how we treat our customers and each other – remain constant.

Our ultimate goal is to provide you with a professional, carefree worship furniture specifying experience. We offer you our expertise in the following services:

- Seating consultations
- Systematic Project Management from order to installation
- Speculation drawings
- Custom design quotations

Visit us at [www.sauderworship.com](http://www.sauderworship.com) to browse our gallery of installations.

### AIA Continuing Education Course

One of the most important tools you'll need before you even start designing the worship space is "Specifying Pews for Worship Facilities", an accredited online course brought to you by Sauder Worship Seating – an approved National Continuing Education Provider. The FREE course is accredited for 1.00 AIA/CES LU.

# Products

**Chairs**

**Platform Furniture**

**Unity™ Seating**

**Clarity™ Seating**

## **Pews and Benches**

One of the unique features of all Sauder Worship Seating (SWS) pews is an ergonomically designed, contoured seat instead of the typical flat board seat. The full range of pew body styles, materials, ends, accessories, finishes, and fabrics we offer can be customized for your client and their budget.

## **Definity® Seating**

Our renewable, patented Definity® seating is the best answer to the need for individual seats within a traditional pew design. Available with and without dividers, Definity® can be produced in our full range of wood finish and fabric options. Definity® seating is the first combination of bench-type seating with removable individual seats.

## **Unity™ Seating**

Our beautiful and functional Unity™ seating is the perfect solution for those congregations wanting the look of a pew with the versatility of a chair. With varying lengths, it allows the greatest flexibility in space planning.

## **Platform Furniture**

From pulpits to communion tables, there are many types of platform furniture available. Our many styles of customized platform furniture coordinate with our pews, chairs, auditorium seating, and variety of decor.

## **Chairs**

Our ergonomic designs ensure maximum support and our extensive collection guarantees a chair that suits your needs for sanctuary, choir, classroom, chapel, dining, and more.

## **Clarity™ Seating**

Many congregations find a need for seating other than traditional pews and chairs. Clarity™ auditorium seating was developed with SWS's market expertise and design technology offering the quality, craftsmanship, and functional benefits that customers have come to expect from us.
