The Best Frame Finish with More Color Choices

Poligon takes extra steps for the best finish. Poligon is the only shelter manufacturer with an in-house eight direction shot blaster, iron phosphate washer and powdercoat line. This paint line was designed specifically for shelters and has **improved quality**, and our ability to **match custom colors/offer more stock colors**. It has also **expedited delivery time**, and **reduced prices**.

All colors below are available for frame and ornamentation powder coating. "MR" indicates availability in Multi-Rib roofing, "SS" indicates availability in Standing Seam, "+" indicates an upcharge for this steel frame color or for a roofing option when it follows "MR" or "SS."

Site Amenities to Match the Shelter

Poligon brings you the same innovation and quality that's synonymous with our shelters to a selection of benches and ash-disposal units. Choose from three styles of benches and two models of Smokstak; each available in a choice of 28 powdercoat colors.

INTEGRATED SEATING
Made to fit between columns directly into Poligon shelters.

BENCHES
Available in lengths from 4' to 10' in one foot increments; in backed and backless styles.

VINE ST. BENCH
Tubular steel frame with fabric top over bench with jarrah wood or metal slats.

SMOKSTAK™ ASH DISPOSAL
Available in two models, each approximately 39" high.

#1 IN SHELTERS

Since introducing the first tubular steel park shelter in 1976, Poligon has become the prime manufacturer of park shelters. What makes a Poligon so special?

Adaptability and Variety: Poligon shelters are available with a large array of functional and decorative cupolas, pre-designed railings and ornamentation, and custom designed laser-cut ornamentation. Request a full-line catalog or download one from www.poligon.com for full details.

Quality: With a near ISO 9000 Quality Control system, Poligon structures can be erected much faster than traditional building systems. Our commitment to quality also extends to employing only AWS certified welders and maintaining a dependable shipping schedule. Quality is a passion at Poligon, and it shows.

Visit www.poligon.com for more information or to find a representative.
