

STONHARD

STONBLEND FLOOR SYSTEMS

A workhorse for demanding environments, yet meets savvy design standards for today's planners. Smart, smooth, stain and wear resistant floor system, Stonblend is offered in sophisticated patterns and color blends for a broad range of settings, including an exclusive formulation that utilizes recycled glass.

Stonblend® GSI

Striking appearance and cost-effective alternative to terrazzo. Perfect flooring solution for pharmaceutical and healthcare facilities, animal laboratories, packaging areas, plant offices, public areas and R&D facilities.

Stonblend® GSI-G

Stain and wear resistant epoxy mortar system that utilizes recycled glass aggregate in the surface of the system, creating a modern appearance while remaining environmentally responsible. Performs in office and healthcare environments, educational and correctional institutions, pharmaceutical, packaging and R&D facilities.

Stonblend® HDF

Decorative epoxy mortar system that exhibits increased physical properties making it ideal for heavy duty pharmaceutical processing environments, ORs and animal laboratories.
