FLOOR GRATINGS AND MATS

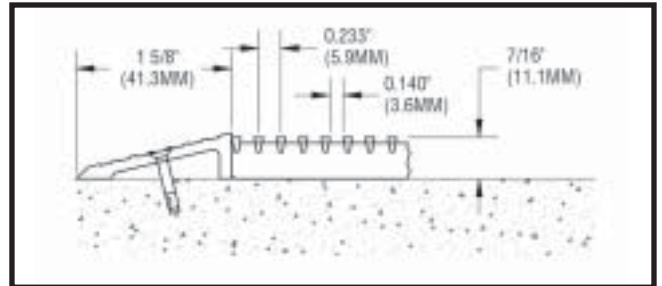

JL Industries, a division of the Activar Construction Products Group, features a variety of floor mats and gratings for commercial construction. Manufactured from both extruded aluminum and stainless steel, JL flooring products are designed to maintain an attractive entrance into your building. From 3/8" Roll-up mats to rigid I-beam gratings, from carpet inserts to buffed rubber inserts, we have the products you need to meet your building requirements.

JL Industries provides a wide range of specialty products for commercial construction, including fire extinguishers and cabinets, metal access panels, roof hatches, smoke vents, skylights, and life safety products. We have been providing our customers a large selection of products for any project for nearly 60 years.

JL Industries is dedicated to providing our customers a variety of high quality products along with excellent customer service. Our innovative online Spec-Ease program assists architects in specifying the JL Industries products that meet their building requirements. Please visit www.jlindustries.com for additional details.

Series 600: 3/4" Aluminum Roll-up Grate:

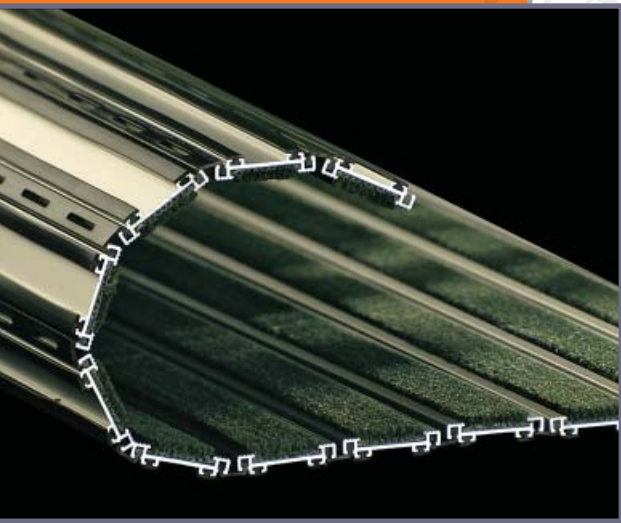

The Series 600 roll-up grate is manufactured from extruded aluminum rails connected with a low density polypropylene hinge system. This grate system is designed to withstand 1500 lbs wheel loads—ideal for heavy cart traffic.

Tread Options:

- JL-600:** Carpet inserts
- JL-601:** Vinyl inserts
- JL-604:** Vinyl-abrasive inserts
- JL-605:** Tuff Tread inserts
- JL-607:** Premium Carpet inserts

Frame Options:

- JL-A:** Recessed aluminum frame
- JL-AA:** Aluminum angle frame

Series 700: 3/8" Aluminum Roll-up Mat:

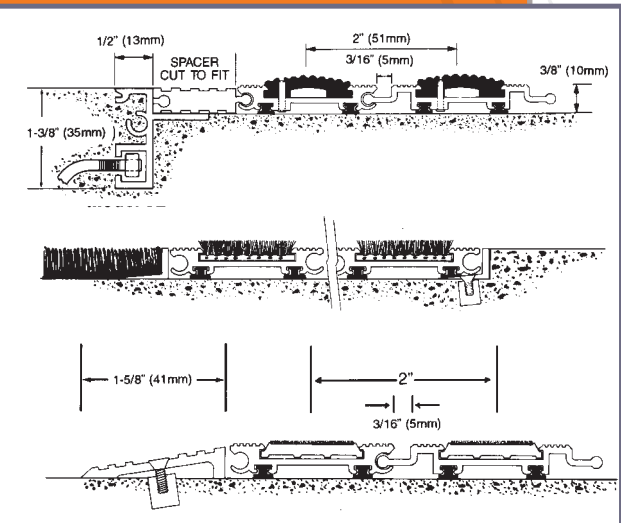

The Series 700 roll-up mat is manufactured from 3/8" extruded aluminum rails connected by a low density polypropylene hinge system. This durable hinge system eliminates the clatter associated with metal hinge systems

Tread Options:

- JL-700:** Carpet inserts
- JL-701:** Vinyl inserts
- JL-702:** Serrated Aluminum rails
- JL-703:** Abrasive inserts
- JL-704:** Vinyl-abrasive inserts
- JL-705:** Tuff Tread inserts
- JL-707:** Premium Carpet inserts

Frame Options:

- JL-R:** Recessed frame
- JL-TR:** Recessed angle frame
- JL-SA:** Surface mounted aluminum frame
- JL-SV:** Surface mounted vinyl frame

Series 800: 3/8" Roll-up Mat:

The Series 800 roll-up mat is manufactured from 3/8" extruded aluminum rails connected by a ball and socket aluminum hinge system. This product is an ideal option where ease of installation is a concern.

Tread Options:

- JL-800:** Carpet inserts
- JL-801:** Vinyl inserts
- JL-804:** Vinyl-abrasive inserts
- JL-805:** Tuff Tread inserts
- JL-807:** Premium Carpet inserts

Frame Options:

- JL-R:** Recessed frame
- JL-TR:** Recessed angle frame
- JL-SA:** Surface mounted aluminum frame
- JL-SV:** Surface mounted vinyl frame

The Activar Construction Products Group (ACPG) consists of 5 affiliated companies that serve the commercial construction industry. Our multiple product lines are a single source for architects and distributors. Air Louvers manufactures products for the openings market with door lites, louvers and rated glass. Hiawatha is known for its quality architectural door hardware and frameless shower door products. JL Industries is an industry leader in fire protection, providing fire extinguishers, AED's and cabinets, access panels, roof opening products and entrance flooring systems. Samson Products manufactures many of the products sold under the JL label and distributes JL products on the West Coast. Thomas Enterprises is our Southeast distributor for JL products and has a state-of-the-art aluminum fabrication facility for fire extinguisher cabinets sold under the Thomas and JL labels.
