

The Simonton ProFinish[®] Contractor series offers virtually unlimited size and style options to give you the ultimate in design flexibility while providing the quality and energy efficiency today's homeowners demand.

Why ProFinish Contractor Series?

Vast selection and impressive versatility.

- A** A J-channel makes installation easy with vinyl siding.
- B** The welded frame and sash provide increased strength and easier handling.
- C** A beveled exterior provides a sophisticated appearance.
- D** An integral nailing fin for quicker installation.

- E** Flush-mount tilt latches release the sash to tilt in for easy cleaning.
- F** Extruded vinyl resists chipping, flaking and pitting and will retain its looks with very little maintenance.
- G** An overlapping, interlocking meeting rail guards against weather infiltration.
- H** A 3/4" insulating glass unit and Intercept® spacer system provide increased energy efficiency.
